Good morning Lori,

As per my voice message, serve this email to provide you with an update on the subject claim. We are in receipt of the inspection report and the member's vehicle has been deemed a total loss as the amount of repairs in comparison to the actual value of the vehicle surpassed the Florida state threshold.

The vehicle has been valued in the amount of \$24,153.00 less the \$500 Collision deductible the total loss settlement is \$23,653.00. Also, the member has the option to retain the vehicle. If that is the case the total settlement will be reduced by \$7,566.00 which is the highest bid quote for a new total settlement of \$16,087.00.

Attached please find the valuation report for your review.

In the event the member decides for the Florida League of Cities to pick up the vehicle, we will need the original title for the vehicle, **which needs to be signed on the front lower left-hand corner where it is printed Signature of Seller or Seller Signature. Please include "Letter of Authorization" on the City's letter head along with title. The person signing the letter of authorization cannot sign the title. Must be a different individual. Be sure to sign the letter in black or blue ink. Please note: An electronic signature will not be accepted (an example has been attached to this email). The license plate and any personal belongings will need to be removed from the vehicle before CoPart pick up the vehicle.**

If you have any further questions regarding the valuation report please can contact Mr. Oscar Pineda with CCS at 832-755-0228.

Looking forward to hear from you regarding member's decision.

Best Regards,
