July 15<sup>th</sup>, 2022

### **ADDENDUM NO. 2**

#### **PCB22-68 RFP**

#### **ERP System Selection Project**

#### **REVISION NO. 2**

The City is adding two (2) additional modules in section **2.8 Software Scope** on page 16 and 17 of the ERP System Selection Project. The City listed out ERP requirements to include Payroll and Timekeeping however it is not explicitly called out in the **Core/Required Application Software** section. The following two (2) modules need to be considered a Core application and are required as part of the main components of the ERP software system:

- Payroll
- Timekeeping
