Solicitation Number: RFP#091219

CONTRACT

This Contract is between **Sourcewell**, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 (Sourcewell) and **Scranton Manufacturing Company/New Way Trucks**, 101 State Street Scranton, IA 51462 (Vendor).

Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that offers cooperative procurement solutions to its members. Participation is open to all levels of governmental entity, higher education, K-12 education, nonprofit, tribal government, and other public entities located in the United States and Canada.

Vendor desires to contract with Sourcewell to provide equipment, products, or services to Sourcewell and its Members (Members).

1. TERM OF CONTRACT

- A. **EFFECTIVE DATE.** This Contract is effective upon the date of the final signature below.
- B. **EXPIRATION DATE AND EXTENSION.** This Contract expires November 15, 2023, unless it is cancelled sooner pursuant to Article 24. This Contract may be extended up to one additional one-year period upon request of Sourcewell and with written agreement by Vendor.
- C. **SURVIVAL OF TERMS.** Articles 11 through 16 survive the expiration or cancellation of this Contract.

2. EQUIPMENT, PRODUCTS, OR SERVICES

A. **EQUIPMENT, PRODUCTS, OR SERVICES.** Vendor will provide the Equipment, Products, or Services as stated in its Proposal submitted under the Solicitation Number listed above. Vendor's Equipment, Products, or Services Proposal (Proposal) is attached and incorporated into this Contract.

All Equipment and Products provided under this Contract must be new/current model. Vendor may offer close-out or refurbished Equipment or Products if they are clearly indicated in Vendor's product and pricing list. Unless agreed to by the Member in advance, Equipment or Products must be delivered as operational to the Member's site.

This Contract offers an indefinite quantity of sales, and while substantial volume is anticipated, sales and sales volume are not guaranteed.

B. LAWS AND REGULATIONS. All Equipment, Products, or Services must comply fully with applicable federal laws and regulations, and with the laws of the state or province in which the Equipment, Products, or Services are sold.

C. WARRANTY. Vendor warrants that all Equipment, Products, and Services furnished are free from liens and encumbrances, and are free from defects in design, materials, and workmanship. In addition, Vendor warrants the Equipment, Products, and Services are suitable for and will perform in accordance with the ordinary use for which they are intended. Vendor's dealers and distributors must agree to assist the Member in reaching a resolution in any dispute over warranty terms with the manufacturer. Any manufacturer's warranty that is effective past the expiration of the Vendor's warranty will be passed on to the Member.

D. DEALERS AND DISTRIBUTORS. Upon Contract execution, Vendor will make available to Sourcewell a means to validate or authenticate Vendor's authorized Distributors/Dealers relative to the Equipment, Products, and Services related to this Contract. This list may be updated from time-to-time and is incorporated into this Contract by reference. It is the Vendor's responsibility to ensure Sourcewell receives the most current version of this list.

3. PRICING

All Equipment, Products, or Services under this Contract will be priced as stated in Vendor's Proposal.

Regardless of the payment method chosen by the Member, the total cost associated with any purchase option of the Equipment, Products, or Services must always be disclosed in the pricing quote to the applicable Member at the time of purchase.

When providing pricing quotes to Members, all pricing quoted must reflect a Member's total cost of acquisition. This means that the quoted cost is for delivered Equipment, Products, and Services that are operational for their intended purpose, and includes all costs to the Member's requested delivery location.

A. SHIPPING AND SHIPPING COSTS. All delivered Equipment and Products must be properly packaged. Damaged Equipment and Products may be rejected. If the damage is not readily apparent at the time of delivery, Vendor must permit the Equipment and Products to be returned within a reasonable time at no cost to Sourcewell or its Members. Members reserve the right to inspect the Equipment and Products at a reasonable time after delivery where circumstances or conditions prevent effective inspection of the Equipment and Products at the time of delivery.

Vendor must arrange for and pay for the return shipment on Equipment and Products that arrive in a defective or inoperable condition.

Sourcwell may declare the Vendor in breach of this Contract if the Vendor intentionally delivers substandard or inferior Equipment or Products. In the event of the delivery of nonconforming Equipment and Products, the Member will notify the Vendor as soon as possible and the Vendor will replace nonconforming Equipment and Products with conforming Equipment and Products that are acceptable to the Member.

B. SALES TAX. Each Member is responsible for supplying the Vendor with valid tax-exemption certification(s). When ordering, Members must indicate if it is a tax-exempt entity.

C. HOT LIST PRICING. At any time during this Contract, Vendor may offer a specific selection of Equipment, Products, or Services at discounts greater than those listed in the Contract. When Vendor determines it will offer Hot List Pricing, it must be submitted electronically to Sourcwell in a line-item format. Equipment, Products, or Services may be added or removed from the Hot List at any time through a Sourcwell Price and Product Change Form as defined in Article 4 below.

Hot List program and pricing may also be used to discount and liquidate close-out and discontinued Equipment and Products as long as those close-out and discontinued items are clearly identified as such. Current ordering process and administrative fees apply. Hot List Pricing must be published and made available to all Members.

4. PRODUCT AND PRICING CHANGE REQUESTS

Vendor may request Equipment, Product, or Service changes, additions, or deletions at any time. All requests must be made in writing by submitting a signed Sourcwell Price and Product Change Request Form to the assigned Sourcwell Contract Administrator. This form is available from the assigned Sourcwell Contract Administrator. At a minimum, the request must:

- Identify the applicable Sourcwell contract number
- Clearly specify the requested change
- Provide sufficient detail to justify the requested change
- Individually list all Equipment, Products, or Services affected by the requested change, along with the requested change (e.g., addition, deletion, price change)
- Include a complete restatement of pricing documentation in Microsoft Excel with the effective date of the modified pricing, or product addition or deletion. The new pricing restatement must include all Equipment, Products, and Services offered, even for those items where pricing remains unchanged.

A fully executed Sourcwell Price and Product Request Form will become an amendment to this Contract and be incorporated by reference.

5. MEMBERSHIP, CONTRACT ACCESS, AND MEMBER REQUIREMENTS

A. MEMBERSHIP. Membership in Sourcewell is open to public and nonprofit entities across the United States and Canada; such as municipal, state/province, K-12 and higher education, tribal government, and other public entities.

The benefits of this Contract should be available to all Members that can legally access the Equipment, Products, or Services under this Contract. A Member's authority to access this Contract is determined through its cooperative purchasing, interlocal, or joint powers laws. Any entity accessing benefits of this Contract will be considered a Service Member of Sourcewell during such time of access. Vendor understands that a Member's use of this Contract is at the Member's sole convenience and Members reserve the right to obtain like Equipment, Products, or Services from any other source.

Vendor is responsible for familiarizing its sales and service forces with Sourcewell membership requirements and documentation and will encourage potential members to join Sourcewell. Sourcewell reserves the right to add and remove Members to its roster during the term of this Contract.

B. PUBLIC FACILITIES. Vendor's employees may be required to perform work at government-owned facilities, including schools. Vendor's employees and agents must conduct themselves in a professional manner while on the premises, and in accordance with Member policies and procedures, and all applicable laws.

6. MEMBER ORDERING AND PURCHASE ORDERS

A. PURCHASE ORDERS AND PAYMENT. To access the contracted Equipment, Products, or Services under this Contract, Member must clearly indicate to Vendor that it intends to access this Contract; however, order flow and procedure will be developed jointly between Sourcewell and Vendor. Typically a Member will issue a purchase order directly to Vendor. Members may use their own forms for purchase orders, but it should clearly note the applicable Sourcewell contract number. Members will be solely responsible for payment and Sourcewell will have no liability for any unpaid invoice of any Member.

B. ADDITIONAL TERMS AND CONDITIONS. Additional terms and conditions to a purchase order may be negotiated between a Member and Vendor, such as job or industry-specific requirements, legal requirements (such as affirmative action or immigration status requirements), or specific local policy requirements. Any negotiated additional terms and conditions must never be less favorable to the Member than what is contained in Vendor's Proposal.

C. PERFORMANCE BOND. If requested by a Member, Vendor will provide a performance bond that meets the requirements set forth in the Member's purchase order.

D. SPECIALIZED SERVICE REQUIREMENTS. In the event that the Member requires service or specialized performance requirements (such as e-commerce specifications, specialized delivery requirements, or other specifications and requirements) not addressed in this Contract, the Member and the Vendor may enter into a separate, standalone agreement, apart from this Contract. Sourcewell, including its agents and employees, will not be made a party to a claim for breach of such agreement.

E. TERMINATION OF PURCHASE ORDERS. Members may terminate a purchase order, in whole or in part, immediately upon notice to Vendor in the event of any of the following events:

1. The Member fails to receive funding or appropriation from its governing body at levels sufficient to pay for the goods to be purchased;
2. Federal or state laws or regulations prohibit the purchase or change the Member's requirements; or
3. Vendor commits any material breach of this Contract or the additional terms agreed to between the Vendor and a Member.

F. GOVERNING LAW AND VENUE. The governing law and venue for any action related to a Member's purchase order will be determined by the Member making the purchase.

7. CUSTOMER SERVICE

A. PRIMARY ACCOUNT REPRESENTATIVE. Vendor will assign an Account Representative to Sourcewell for this Contract and must provide prompt notice to Sourcewell if that person is changed. The Account Representative will be responsible for:

- Maintenance and management of this Contract;
- Timely response to all Sourcewell and Member inquiries; and
- Business reviews to Sourcewell and Members, if applicable.

B. BUSINESS REVIEWS. Vendor must perform a minimum of one business review with Sourcewell per contract year. The business review will cover sales to members, pricing and contract terms, administrative fees, supply issues, customer issues, and any other necessary information.

8. REPORT ON CONTRACT SALES ACTIVITY AND ADMINISTRATIVE FEE PAYMENT

A. CONTRACT SALES ACTIVITY REPORT. Each calendar quarter, Vendor must provide a contract sales activity report (Report) to the Sourcewell Contract Administrator assigned to this Contract. A Report must be provided regardless of the number or amount of sales during that quarter (i.e., if there are no sales, Vendor must submit a report indicating no sales were made).

The Report must contain the following fields:

- Customer Name (e.g., City of Staples Highway Department);
- Customer Physical Street Address;
- Customer City;
- Customer State;
- Customer Zip Code;
- Customer Contact Name;
- Customer Contact Email Address;
- Customer Contact Telephone Number;
- Sourcewell Assigned Entity/Member Number;
- Item Purchased Description;
- Item Purchased Price;
- Sourcewell Administrative Fee Applied; and
- Date Purchase was invoiced/sale was recognized as revenue by Vendor.

B. ADMINISTRATIVE FEE. In consideration for the support and services provided by Sourcewell, the Vendor will pay an administrative fee to Sourcewell on all Equipment, Products, and Services provided to Members. The Vendor will submit a check payable to Sourcewell for the percentage of administrative fee stated in the Proposal multiplied by the total sales of all Equipment, Products, and Services purchased by Members under this Contract during each calendar quarter. Payments should note the Sourcewell-assigned contract number in the memo and must be mailed to the address above "Attn: Accounts Receivable." Payments must be received no later than forty-five (45) calendar days after the end of each calendar quarter.

Vendor agrees to cooperate with Sourcewell in auditing transactions under this Contract to ensure that the administrative fee is paid on all items purchased under this Contract.

In the event the Vendor is delinquent in any undisputed administrative fees, Sourcewell reserves the right to cancel this Contract and reject any proposal submitted by the Vendor in any subsequent solicitation. In the event this Contract is cancelled by either party prior to the Contract's expiration date, the administrative fee payment will be due no more than thirty (30) days from the cancellation date.

9. AUTHORIZED REPRESENTATIVE

Sourcewell's Authorized Representative is its Chief Procurement Officer.

Vendor's Authorized Representative is the person named in the Vendor's Proposal. If Vendor's Authorized Representative changes at any time during this Contract, Vendor must promptly notify Sourcewell in writing.

10. ASSIGNMENT, AMENDMENTS, WAIVER, AND CONTRACT COMPLETE

A. **ASSIGNMENT.** Neither the Vendor nor Sourcewell may assign or transfer any rights or obligations under this Contract without the prior consent of the parties and a fully executed assignment agreement. Such consent will not be unreasonably withheld.

B. **AMENDMENTS.** Any amendment to this Contract must be in writing and will not be effective until it has been fully executed by the parties.

C. **WAIVER.** If either party fails to enforce any provision of this Contract, that failure does not waive the provision or the right to enforce it.

D. **CONTRACT COMPLETE.** This Contract contains all negotiations and agreements between Sourcewell and Vendor. No other understanding regarding this Contract, whether written or oral, may be used to bind either party.

E. **RELATIONSHIP OF THE PARTIES.** The relationship of the parties is one of independent contractors, each free to exercise judgment and discretion with regard to the conduct of their respective businesses. This Contract does not create a partnership, joint venture, master-servant, principal-agent, or any other relationship.

11. LIABILITY

Vendor must indemnify, save, and hold Sourcewell and its Members, including their agents and employees, harmless from any claims or causes of action, including attorneys' fees, arising out of the performance of this Contract by the Vendor or its agents or employees; this indemnification includes injury or death to person(s) or property alleged to have been caused by some defect in the Equipment, Products, or Services under this Contract to the extent the Equipment, Product, or Service has been used according to its specifications.

12. AUDITS

Sourcewell reserves the right to review the books, records, documents, and accounting procedures and practices of the Vendor relevant to this Contract for a minimum of six (6) years from the end of this Contract. This clause extends to Members as it relates to business conducted by that Member under this Contract.

13. GOVERNMENT DATA PRACTICES

Vendor and Sourcewell must comply with the Minnesota Government Data Practices Act, Minnesota Statutes Chapter 13, as it applies to all data provided by or provided to Sourcewell under this Contract and as it applies to all data created, collected, received, stored, used, maintained, or disseminated by the Vendor under this Contract.

If the Vendor receives a request to release the data referred to in this article, the Vendor must immediately notify Sourcewell and Sourcewell will assist with how the Vendor should respond to the request.

14. INTELLECTUAL PROPERTY

As applicable, Vendor agrees to indemnify and hold harmless Sourcewell and its Members against any and all suits, claims, judgments, and costs instituted or recovered against Sourcewell or Members by any person on account of the use of any Equipment or Products by Sourcewell or its Members supplied by Vendor in violation of applicable patent or copyright laws.

15. PUBLICITY, MARKETING, AND ENDORSEMENT

A. **PUBLICITY.** Any publicity regarding the subject matter of this Contract must not be released without prior written approval from the Authorized Representatives. Publicity includes notices, informational pamphlets, press releases, research, reports, signs, and similar public notices prepared by or for the Vendor individually or jointly with others, or any subcontractors, with respect to the program, publications, or services provided resulting from this Contract.

B. **MARKETING.** Any direct advertising, marketing, or offers with Members must be approved by Sourcewell. Materials should be sent to the Sourcewell Contract Administrator assigned to this Contract.

C. **ENDORSEMENT.** The Vendor must not claim that Sourcewell endorses its Equipment, Products, or Services.

16. GOVERNING LAW, JURISDICTION, AND VENUE

Minnesota law governs this Contract. Venue for all legal proceedings out of this Contract, or its breach, must be in the appropriate state court in Todd County or federal court in Fergus Falls, Minnesota.

17. FORCE MAJEURE

Neither party to this Contract will be held responsible for delay or default caused by acts of God or other conditions that are beyond that party's reasonable control. A party defaulting under this provision must provide the other party prompt written notice of the default.

18. SEVERABILITY

If any provision of this Contract is found to be illegal, unenforceable, or void then both Sourcewell and Vendor will be relieved of all obligations arising under such provisions. If the

remainder of this Contract is capable of performance, it will not be affected by such declaration or finding and must be fully performed.

19. PERFORMANCE, DEFAULT, AND REMEDIES

A. PERFORMANCE. During the term of this Contract, the parties will monitor performance and address unresolved contract issues as follows:

1. **Notification.** The parties must promptly notify each other of any known dispute and work in good faith to resolve such dispute within a reasonable period of time. If necessary, Sourcewell and the Vendor will jointly develop a short briefing document that describes the issue(s), relevant impact, and positions of both parties.
2. **Escalation.** If parties are unable to resolve the issue in a timely manner, as specified above, either Sourcewell or Vendor may escalate the resolution of the issue to a higher level of management. The Vendor will have thirty (30) calendar days to cure an outstanding issue.
3. **Performance while Dispute is Pending.** Notwithstanding the existence of a dispute, the Vendor must continue without delay to carry out all of its responsibilities under the Contract that are not affected by the dispute. If the Vendor fails to continue without delay to perform its responsibilities under the Contract, in the accomplishment of all undisputed work, any additional costs incurred by Sourcewell and/or its Members as a result of such failure to proceed will be borne by the Vendor.

B. DEFAULT AND REMEDIES. Either of the following constitutes cause to declare this Contract, or any Member order under this Contract, in default:

1. Nonperformance of contractual requirements, or
2. A material breach of any term or condition of this Contract.

Written notice of default and a reasonable opportunity to cure must be issued by the party claiming default. Time allowed for cure will not diminish or eliminate any liability for liquidated or other damages. If the default remains after the opportunity for cure, the non-defaulting party may:

- Exercise any remedy provided by law or equity, or
- Terminate the Contract or any portion thereof, including any orders issued against the Contract.

20. INSURANCE

A. REQUIREMENTS. At its own expense, Vendor must maintain insurance policy(ies) in effect at all times during the performance of this Contract with insurance company(ies) licensed or authorized to do business in the State of Minnesota having an "AM BEST" rating of A- or better, with coverage and limits of insurance not less than the following:

1. ***Workers' Compensation and Employer's Liability.***

Workers' Compensation: As required by any applicable law or regulation.

Employer's Liability Insurance: must be provided in amounts not less than listed below:

Minimum limits:

\$500,000 each accident for bodily injury by accident

\$500,000 policy limit for bodily injury by disease

\$500,000 each employee for bodily injury by disease

2. ***Commercial General Liability Insurance.*** Vendor will maintain insurance covering its operations, with coverage on an occurrence basis, and must be subject to terms no less broad than the Insurance Services Office ("ISO") Commercial General Liability Form CG0001 (2001 or newer edition). At a minimum, coverage must include liability arising from premises, operations, bodily injury and property damage, independent contractors, products-completed operations including construction defect, contractual liability, blanket contractual liability, and personal injury and advertising injury. All required limits, terms and conditions of coverage must be maintained during the term of this Contract.

Minimum Limits:

\$1,000,000 each occurrence Bodily Injury and Property Damage

\$1,000,000 Personal and Advertising Injury

\$2,000,000 aggregate for Products-Completed operations

\$2,000,000 general aggregate

3. ***Commercial Automobile Liability Insurance.*** During the term of this Contract, Vendor will maintain insurance covering all owned, hired, and non-owned automobiles in limits of liability not less than indicated below. The coverage must be subject to terms no less broad than ISO Business Auto Coverage Form CA 0001 (2010 edition or newer).

Minimum Limits:

\$1,000,000 each accident, combined single limit

4. ***Umbrella Insurance.*** During the term of this Contract, Vendor will maintain umbrella coverage over Workers' Compensation, Commercial General Liability, and Commercial Automobile.

Minimum Limits:

\$2,000,000

5. ***Professional/Technical, Errors and Omissions, and/or Miscellaneous Liability.***

During the term of this Contract, Vendor will maintain coverage for all claims the Vendor may become legally obligated to pay resulting from any actual or alleged negligent act, error, or omission related to Vendor's professional services required under this Contract.

Minimum Limits:

\$2,000,000 per claim or event

\$2,000,000 – annual aggregate

6. *Network Security and Privacy Liability Insurance.* During the term of this Contract, Vendor will maintain coverage for network security and privacy liability. The coverage may be endorsed on another form of liability coverage or written on a standalone policy. The insurance must cover claims which may arise from failure of Vendor's security resulting in, but not limited to, computer attacks, unauthorized access, disclosure of not public data – including but not limited to, confidential or private information, transmission of a computer virus, or denial of service.

Minimum limits:

\$2,000,000 per occurrence

\$2,000,000 annual aggregate

Failure of Vendor to maintain the required insurance will constitute a material breach entitling Sourcewell to immediately terminate this Contract for default.

B. CERTIFICATES OF INSURANCE. Prior to commencing under this Contract, Vendor must furnish to Sourcewell a certificate of insurance, as evidence of the insurance required under this Contract. Prior to expiration of the policy(ies), renewal certificates must be mailed to Sourcewell, 202 12th Street Northeast, P.O. Box 219, Staples, MN 56479 or sent to the Sourcewell Contract Administrator assigned to this Contract. The certificates must be signed by a person authorized by the insurer(s) to bind coverage on their behalf. All policies must include there will be no cancellation, suspension, non-renewal, or reduction of coverage without thirty (30) days' prior written notice to the Vendor.

Upon request, Vendor must provide to Sourcewell copies of applicable policies and endorsements, within ten (10) days of a request. Failure to request certificates of insurance by Sourcewell, or failure of Vendor to provide certificates of insurance, in no way limits or relieves Vendor of its duties and responsibilities in this Contract.

C. ADDITIONAL INSURED ENDORSEMENT AND PRIMARY AND NON-CONTRIBUTORY INSURANCE CLAUSE. Vendor agrees to name Sourcewell and its Members, including their officers, agents, and employees, as an additional insured under the Vendor's commercial general liability insurance policy with respect to liability arising out of activities, "operations," or "work" performed by or on behalf of Vendor, and products and completed operations of Vendor. The policy provision(s) or endorsement(s) must further provide that coverage is primary and not excess over or contributory with any other valid, applicable, and collectible insurance or self-insurance in force for the additional insureds.

D. WAIVER OF SUBROGATION. Vendor waives and must require (by endorsement or otherwise) all its insurers to waive subrogation rights against Sourcewell and other additional insureds for losses paid under the insurance policies required by this Contract or other insurance applicable to the Vendor or its subcontractors. The waiver must apply to all deductibles and/or self-insured retentions applicable to the required or any other insurance

maintained by the Vendor or its subcontractors. Where permitted by law, Vendor must require similar written express waivers of subrogation and insurance clauses from each of its subcontractors.

E. **UMBRELLA/EXCESS LIABILITY.** The limits required by this Contract can be met by either providing a primary policy or in combination with umbrella/excess liability policy(ies).

F. **SELF-INSURED RETENTIONS.** Any self-insured retention in excess of \$10,000 is subject to Sourcewell's approval.

21. COMPLIANCE

A. **LAWS AND REGULATIONS.** All Equipment, Products, or Services provided under this Contract must comply fully with applicable federal laws and regulations, and with the laws in the states and provinces in which the Equipment, Products, or Services are sold.

B. **LICENSES.** Vendor must maintain a valid status on all required federal, state, and local licenses, bonds, and permits required for the operation of the business that the Vendor conducts with Sourcewell and Members.

22. BANKRUPTCY, DEBARMENT, OR SUSPENSION CERTIFICATION

Vendor certifies and warrants that it is not in bankruptcy or that it has previously disclosed in writing certain information to Sourcewell related to bankruptcy actions. If at any time during this Contract Vendor declares bankruptcy, Vendor must immediately notify Sourcewell in writing.

Vendor certifies and warrants that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from programs operated by the State of Minnesota, the United States federal government, or any Member. Vendor certifies and warrants that neither it nor its principals have been convicted of a criminal offense related to the subject matter of this Contract. Vendor further warrants that it will provide immediate written notice to Sourcewell if this certification changes at any time.

23. PROVISIONS FOR NON-UNITED STATES FEDERAL ENTITY PROCUREMENTS UNDER UNITED STATES FEDERAL AWARDS OR OTHER AWARDS

Members that use United States federal grant or FEMA funds to purchase goods or services from this Contract may be subject to additional requirements including the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 C.F.R. § 200. Members may also require additional requirements based on specific funding specifications. Within this Article, all references to "federal" should be interpreted to mean the United States federal government. The following list only applies when

a Member accesses Vendor's Equipment, Products, or Services with United States federal funds.

A. EQUAL EMPLOYMENT OPPORTUNITY. Except as otherwise provided under 41 C.F.R. § 60, all contracts that meet the definition of "federally assisted construction contract" in 41 C.F.R. § 60-1.3 must include the equal opportunity clause provided under 41 C.F.R. §60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 C.F.R. §, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 C.F.R. § 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor." The equal opportunity clause is incorporated herein by reference.

B. DAVIS-BACON ACT, AS AMENDED (40 U.S.C. § 3141-3148). When required by federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. § 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 C.F.R. § 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-federal entity must report all suspected or reported violations to the federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. § 3145), as supplemented by Department of Labor regulations (29 C.F.R. § 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-federal entity must report all suspected or reported violations to the federal awarding agency. Vendor must be in compliance with all applicable Davis-Bacon Act provisions.

C. CONTRACT WORK HOURS AND SAFETY STANDARDS ACT (40 U.S.C. § 3701-3708). Where applicable, all contracts awarded by the non-federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. § 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. § 5). Under 40 U.S.C. § 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. § 3704 are applicable to construction

work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence. This provision is hereby incorporated by reference into this Contract. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

D. RIGHTS TO INVENTIONS MADE UNDER A CONTRACT OR AGREEMENT. If the federal award meets the definition of “funding agreement” under 37 C.F.R. § 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 C.F.R. § 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency. Vendor certifies that during the term of an award for all contracts by Sourcewell resulting from this procurement process, Vendor must comply with applicable requirements as referenced above.

E. CLEAN AIR ACT (42 U.S.C. § 7401-7671Q.) AND THE FEDERAL WATER POLLUTION CONTROL ACT (33 U.S.C. § 1251-1387). Contracts and subgrants of amounts in excess of \$150,000 require the non-federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. § 7401- 7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. § 1251- 1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA). Vendor certifies that during the term of this Contract will comply with applicable requirements as referenced above.

F. DEBARMENT AND SUSPENSION (EXECUTIVE ORDERS 12549 AND 12689). A contract award (see 2 C.F.R. § 180.220) must not be made to parties listed on the government wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 C.F.R. §180 that implement Executive Orders 12549 (3 C.F.R. § 1986 Comp., p. 189) and 12689 (3 C.F.R. § 1989 Comp., p. 235), “Debarment and Suspension.” SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.

G. BYRD ANTI-LOBBYING AMENDMENT, AS AMENDED (31 U.S.C. § 1352). Vendors must file any required certifications. Vendors must not have used federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any federal contract, grant, or any other award

covered by 31 U.S.C. § 1352. Vendors must disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the non-federal award. Vendors must file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 U.S.C. § 1352).

H. RECORD RETENTION REQUIREMENTS. To the extent applicable, Vendor must comply with the record retention requirements detailed in 2 C.F.R. § 200.333. The Vendor further certifies that it will retain all records as required by 2 C.F.R. § 200.333 for a period of three (3) years after grantees or subgrantees submit final expenditure reports or quarterly or annual financial reports, as applicable, and all other pending matters are closed.

I. ENERGY POLICY AND CONSERVATION ACT COMPLIANCE. To the extent applicable, Vendor must comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act.

J. BUY AMERICAN PROVISIONS COMPLIANCE. To the extent applicable, Vendor must comply with all applicable provisions of the Buy American Act. Purchases made in accordance with the Buy American Act must follow the applicable procurement rules calling for free and open competition.

K. ACCESS TO RECORDS (2 C.F.R. § 200.336). Vendor agrees that duly authorized representatives of a federal agency must have access to any books, documents, papers and records of Vendor that are directly pertinent to Vendor's discharge of its obligations under this Contract for the purpose of making audits, examinations, excerpts, and transcriptions. The right also includes timely and reasonable access to Vendor's personnel for the purpose of interview and discussion relating to such documents.

L. PROCUREMENT OF RECOVERED MATERIALS (2 C.F.R. § 200.322). A non-federal entity that is a state agency or agency of a political subdivision of a state and its contractors must comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 C.F.R. § 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

24. CANCELLATION

Sourcewell or Vendor may cancel this Contract at any time, with or without cause, upon sixty (60) days' written notice to the other party. However, Sourcewell may cancel this Contract immediately upon discovery of a material defect in any certification made in Vendor's Proposal. Termination of this Contract does not relieve either party of financial, product, or service obligations incurred or accrued prior to termination.

Company Information and Financial Strength

Line Item	Question	Response *
7	Provide a brief history of your company, including your company's core values, business philosophy, and industry longevity related to the requested equipment, products or services.	<p>Scranton Manufacturing and its New Way Trucks brand is the crown jewel of the McLaughlin Family Companies. It is the largest privately-held mobile refuse collection vehicle manufacturer in the nation. New Way Trucks is the fastest-growing company in the \$80 billion solid waste industry and has been family-owned for more than 45 years. Throughout our existence, we have been committed to innovation, safety, quality, and customer satisfaction. Midwest values drive everything we do, and our people are our most valuable asset. When asked about why and how our company has grown, McLaughlin Family Companies founder and 2009 National Waste & Recycling Association (NwRA) Hall of Fame inductee, John McLaughlin, attributes the company's continued success to the 4 P's: Principles, People, Products, and Persistence.</p> <p>Since the very beginning, New Way's business plan has been based on growth and expansion. We have experienced exponential year-over-year growth in each of the last 10 years, and in 2015 we added a 56,000 square foot manufacturing addition. In 2018 a \$3 million investment in computerized fabrication equipment and robotics continued that expansion and today our manufacturing space exceeds 400,000 square feet under roof in central Iowa with joint venture manufacturing projects throughout North America.</p> <p>We are proud to offer the widest lineup of refuse collection equipment of any manufacturer in the industry. Our full line of affordable refuse equipment includes front loaders, rear loaders, satellite bodies, recycling bodies, side loaders, and automated side loaders in sizes ranging from 6 to 43 yards. We also offer Compressed Natural Gas (CNG) fueling integration on all of our models, which results in a cleaner burning vehicle that lowers exhaust emissions and utilizes a domestic fuel source.</p> <p>We are also proud to boast the nation's largest Dealer Network with 36 dealers and 83 separate locations that provide service to all 50 states. In Canada, our Dealer Network includes five privately-owned dealerships and 13 locations covering all of Canada. New Way's Dealer Network also includes 11 additional locations across the globe. Due to our extensive Dealer Network, New Way Trucks are on the ground in five of the world's seven continents.</p> <p>Our small-town Iowa location in America's heartland still holds dear our family values and a hard work ethic that has been passed down through generations. Pair this work ethic and dedication to the job with the ability to innovate and the willingness to learn, and you'll see why New Way is able to produce such cutting edge, high quality products. Through continually investing in training and educational opportunities for all employees, we are proud to maintain a focus on research, remaining adaptable, and drive customer value in order to meet the specific needs of our end-users.</p>
8	Provide a detailed description of the products and services that you are offering in your proposal.	<p>New Way Trucks offers the widest product lineup of refuse collection equipment in the industry. Our Mammoth front end load (FEL) models come in both standard and west-coast lightweight designs. Our rear end load (REL) models: the Diamondback, Viper, Cobra, Cobra High Compaction, and King Cobra range in size from 6 to 32 cubic yards for both residential and commercial collection applications. In addition, we offer the strongest and most durable automated side load (ASL) mobile refuse collection vehicle on the market, the Sidewinder, and our Mamba Satellite Side Loader completes the lineup. New Way is also the exclusive dealer for RotoPAC, the world's first auger-driven automated side loader.</p>

All of our mobile refuse collection vehicles are available to be rented through our New Way FleetForce program - the only direct-from-manufacturer rental company in the industry. New Way FleetForce offers various rental contract options, ranging from as short as one week to a multi-year rental contract. New Way FleetForce maintains a rental fleet of the newest and most productive waste collection vehicles and has the volume to meet Members' various needs and delivery requirements. In most cases, delivery can happen immediately. Since our FleetForce mobile refuse collection vehicles are built and distributed like any other of our New Way products, Members are guaranteed factory-trained support through our nationally-renowned Dealer Network.

Front Loaders

The New Way Mammoth is known for its superior strength and front-load durability. Designed with one-piece, curved shell body side construction for superior strength and a streamlined appearance, the New Way Mammoth Front-End Loader comes equipped with the strongest steel specifications in the waste industry. In addition, heavy-duty, single-piece constructed arms, torque tube assembly, and Pack-on-the-Go features maximize route and labor efficiency.

Standard features on the Mammoth front-loader mobile refuse collection vehicle include a 4-split bearing block with bronze bushings and an easy adjust deceleration valve, giving the operator control of the arm's return to the vehicle body. Two safety cameras come standard on this series; one affording the operator a view into the hopper and another to assist in reverse. This front loader also boasts the largest clean-out doors and sump in the industry. Combined, these two features set the standard for ease of access and the clean out of trash trapped behind the packing blade. As with all New Way Trucks mobile refuse collection vehicles, the Mammoth comes standard with a two-year cylinder warranty.

No other front-load mobile refuse collection vehicle on the market can offer the ease of use and maintenance, superior strength, durability, and product support of a New Way Mammoth Front Loader.

The New Way Mammoth Western Series is a lighter front-end-loader with mammoth strength. There is no need to sacrifice power in a front-load mobile refuse collection vehicle when a lighter weight matters. The Western Series Mammoth Front Loader is over 10 percent lighter than the Mammoth, while boasting the same superior strength and capacity that all New Way Trucks are known for. Weighing in at just 16,100 to 17,300 pounds, the Western Series Mammoth maintains an impressive 34 to 40 cubic yard hopper capacity and a packer cycle time of only 25 seconds.

This front-loader was designed to be compliant with DOT weight regulations in many areas, which we accomplished with lighter weight, high-tensile steels. This results in a mobile refuse collection vehicle with superior strength at a reduced overall body weight that is compliant with coastal states' regulations.

Customization of the Western Series Mammoth to accommodate 2 to 4 cubic yard bins is easy with smaller hydraulic cylinder sizes. This front loader still offers an incredible 8,000 pounds of lift in the single-piece arm, but when less strength is required for smaller bins, customers can also select a 6,000 pound hydraulic cylinder option.

Each Western Series Mammoth front loader's standard equipment includes high-tensile steel, heavy-duty single-piece arms, torque tube assembly, two safety cameras: one for operator viewing of the hopper and another for backing up, and the largest clean-out doors and sump in the industry. New Way Trucks also includes a two-year hydraulic cylinder warranty on all mobile refuse collection vehicles.

Overall, the Western Series Mammoth front-loader offers brute force and superior strength and stamina, all while being weight-log compliant for more stringent Department of Transportation regulations.

Rear Loaders

The New Way King Cobra offers industry-leading rear-load waste compaction. The design of this heavy-duty mobile refuse collection vehicle sets the bar in the refuse industry, putting it at the top of the industry's food chain. The King Cobra is the unequivocal leader with an approximate 1,000 to 1,300 pounds per cubic yard compaction rate and superior rear-loading capabilities.

Built to take on a lot of work without requiring much maintenance, the King Cobra rear loader offers many of the standard features of other New Way rear-loaders. Curbside hydraulic access, side-body automatic tailgate locks, a rear-view camera and two-year hydraulic cylinder warranty are just a few of the many standard options. The King Cobra can also be customized to meet the needs of a Member's individual operation.

Combine all of this with the fact that the King Cobra has the lowest cost of operation of any comparable body size and one of the lowest warranty claims of any mobile refuse collection vehicle body in the industry, and you've got a mobile refuse collection vehicle that charms the most demanding of routes.

The New Way Cobra Magnum is a large rear-loader that is still fully DOT compliant. The

Cobra Magnum offers the ultra-high compaction of the King Cobra with a body weight lighter than what the competition is able to achieve.

The Cobra Magnum is designed to comply with Department of Transportation weight regulations and offers the easiest operational features in today's mobile refuse collection vehicle market. Operators have convenient access to curbside hydraulic controls on this impressive rear loader that will easily compact approximately 1,000+ pounds per cubic yard.

Add in a huge 3.55 cubic yard hopper and a striking 21-23 second cycle time, and the Cobra Magnum delivers the perfect size mobile refuse collection vehicle with the bite to crush anything you throw its way.

The newest addition to New Way's product line is the Cobra High Compaction 25 yard rear-end-loader. The Cobra High Compaction (HC) boasts the compaction and speed of its bigger brothers, the Cobra Magnum and King Cobra, but features a lightweight body with an overall lower profile for height-restricted refuse collection routes.

Preventive maintenance is made simple and easy with the vehicle's mounted front valve, easy access wiring system, and removable slide show access cover. The new Way Cobra HC hits the industry in 2020 with its 1,100 to 1,300 pounds per cubic yard compaction rate, 15,000 pound weight (for the standard 25-yard model), and a 21-23 second cycle time.

Additional features include a large 3.5 cubic yard hopper with wide 80-inch tailgate and inboard hydraulic cylinders, an inside-body hydraulic tank, optional auto-lock turnbuckles, and optional bolt-on winch systems.

The New Way Cobra is a lightweight rear loader with full-sized compaction. Our Cobra rear-end-loader is the contractor's choice, striking the perfect balance between outstanding compaction and a lightweight 20 cubic yard body. With a compaction rate of up to 1,000 pounds per cubic yard, the Cobra is a powerful rear load mobile refuse collection vehicle that will do everything mid-size mobile refuse collection vehicles can do.

Add in the Cobra's large 3 cubic yard hopper - available in 9 to 25 cubic yard capacities - on a single-axle chassis, externally-mounted hydraulic cylinders for easy maintenance, operating valve on the outside of the hopper, automatic tailgate locks with outside lever controls, high-compaction body and a variety of container-handling options for both steel and plastic carts, and you'll understand why the Cobra dominates the mobile refuse collection vehicle industry.

The New Way Viper is an innovative rear-end-loader built for safety and maintenance. It is one of the most popular mid-compaction rear loader bodies on the market today. Larger capacity Viper units are excellent for both residential and commercial work.

New Way's engineering team has increased safety and added value with a design that moves the hydraulic cylinders and the operating valve to the outside of the vehicle's body. This creates a straight line between levers and control rods, making maintenance quick and easy. The operator valve placement eliminates the need to reach into the vehicle body, increasing operator safety.

The Viper also comes standard with automatic tailgate locks with the control handle located on the side of the chassis, thus eliminating the time and effort needed to go back and forth to operate the traditional turnbuckle locks.

With accessories and adapters to accommodate all varieties of residential cart tipplers and commercial containers, a rear-view camera and a two-year hydraulic cylinder warranty, this venomous rear loader is sure to paralyze the competition.

The New Way Diamondback packs powerful features into a compact profile. Our smallest rear-load mobile refuse collection vehicle exhibits quality in workmanship and raw materials that differentiates it from the competition. This compact, low-profile mobile refuse collection vehicle with a low load-still threshold has a compaction rate of approximately 800 pounds per cubic yard in the standard unit and up to approximately 1,000 pounds per cubic yard on the high-compaction model.

When searching for quality, affordability, and maneuverability to service residential park collection routes, the Diamondback mobile refuse collection vehicle is the answer. It is available in 6 or 8 cubic yard body capacities, and is adaptable to all residential cart tipplers. The Diamondback is lethal to the competition as it comes fully-equipped with a range of standard features that are merely options on most other units, including a rear-vision camera and standard two-year hydraulic cylinder warranty.

Automated Side Loaders

The New Way Sidewinder XTR is an automated side-loader with one-operator efficiency. With a faster compaction rate unrivaled by any other side-load mobile refuse collection vehicle on the market and the industry's strongest frame-mounted collection arm that reaches up to an impressive 12 feet, efficiency is always at the operator's side. The Sidewinder XTR combines the convenience of automated loading with the ability to maneuver in tight spaces to create an ultra-tough, overbuilt side-loading machine.

At the end of the day, the convenient features of the Sidewinder XTR are even more evident.

		<p>Mobile refuse collection vehicle operators appreciate the convenience of being able to easily clean out behind the pack panel with the widest opening access and largest clean-out sump in the industry. Add to that the standard rear-view camera and a two-year hydraulic cylinder warranty, and you can see why the Sidewinder XTR has a solid grip on the competition.</p> <p>The New Way RotoPAC is the first auger-driven organics and municipal solid waste collection vehicle in the world. The ultimate goal of waste management is zero waste being deposited into landfills. With an eye towards the future, New Way is leading the pack with our RotoPAC.</p> <p>Organics on Monday, municipal solid waste (MSW) on Tuesday. Gone are the days of maintaining separate trucks to meet a community's waste management needs. As the first mobile refuse collection vehicle in the world that works equally well with municipal solid waste as it does with organic refuse collection, the dual-purpose RotoPAC is designed for operational flexibility.</p> <p>The RotoPAC's self-cleaning auger not only more efficiently compacts organic materials - such as grass clippings and food waste - but will automatically reverse in the rare event of a jam. The 23,000 pounds of auger torque makes quick work of compaction and self-cleaning, which eliminates downtime to clean out behind a pack panel. The automated arm has a 12-foot reach and can easily manage up to 500 pounds at maximum extension.</p> <p>Add to that a 27 cubic yard body, the highest legal payload in the industry at 25,000 pounds, reduced hydraulic cylinder maintenance due to the auger, and a liquid-tight hopper up to 40 inches high, and you have the most innovative, adaptable, and futuristic mobile refuse collection vehicle available on the market today. The RotoPAC is available in sizes ranging from 14 to 27 cubic yards.</p> <p>Satellite Side Loader</p> <p>The New Way Mamba is a fiercely-fast and agile side loader. This satellite side loader slithers its way into residential refuse collection routes that other mobile refuse collection vehicles cannot and provides the freedom to load from either side of the vehicle. With its slender body construction, the Mamba plays a vital role and has the ability to transfer compacted materials to larger rear loaders.</p> <p>Available in fixed-body mount, the Mamba also features cart tipper and barrel dumper options, giving Members the ability to customize a side-loader machine that is sure to strike fear into the competition.</p>
9	What are your company's expectations in the event of an award?	<p>In the event of an awarded contract, members of the New Way team will travel to Minnesota within 45 days of an award to initiate further training on the new agreement and formally launch the contract. The remainder of our organization will be subsequently trained, and updated procedures will be quickly disseminated to our Regional Sales Managers (RSMs) and onward to our Dealer Network. New, discounted pricing will become valid immediately to Members and our new turnkey solution will be quickly implemented.</p> <p>A Sourcewell-awarded contract will allow New Way Trucks to continue to provide Members with great products at a discounted price to our many existing municipal customers, grow our municipal base, and open the door to new opportunities in the educational space.</p>
10	Demonstrate your financial strength and stability with meaningful data. This could include such items as financial statements, SEC filings, credit and bond ratings, letters of credit, and detailed reference letters. Upload supporting documents (as applicable) in the document upload section of your response.	<p>New Way Trucks is the cornerstone of the McLaughlin Family Companies, a rapidly expanding central-Iowa based group of companies focused on refuse, recycling, and veterinary equipment manufacturing and retail product distribution for new and used automobiles and automotive products. The company has consistently experienced annual double-digit growth, and now employs nearly 550 people in Central Iowa. This growth is expected to continue as the company is committed to expanding manufacturing capacity to meet an ever-growing demand for its product line. On average, New Way has experienced a 20 percent per year growth on orders received and units built over the past three years.</p>
11	What is your US market share for the solutions that you are proposing?	<p>New Way Trucks holds an approximate 15 percent market share in the US for mobile refuse equipment. Our Dealer Network lays the cornerstone for our entire organization, covering every state in the nation and all of Canada. Although Sourcewell focuses on the USA and Canada, New Way also has a global presence through our international Dealer Network, with our equipment currently on five of seven of the world's continents.</p>
12	What is your Canadian market share, if any?	<p>According to our best estimates, New Way currently has a 20 percent market share in Canada. Canada is also home to our RotoPAC manufacturing operation. With 5 dealerships in 13 locations covering the entirety of Canada, our presence in Canada is poised to expand.</p>
13	Has your business ever petitioned for bankruptcy protection? If so, explain in detail.	<p>No. New Way Trucks is a financially stable organization with continued growth year after year. We are the largest privately held manufacturer of refuse equipment in North America and rank in the top 3 of all manufacturers of our type.</p>

14	<p>How is your organization best described: is it a manufacturer, a distributor/dealer/reseller, or a service provider? Answer whichever question (either a) or b) just below) best applies to your organization.</p> <p>a) If your company is best described as a distributor/dealer/reseller (or similar entity), provide your written authorization to act as a distributor/dealer/reseller for the manufacturer of the products proposed in this RFP. If applicable, is your dealer network independent or company owned?</p> <p>b) If your company is best described as a manufacturer or service provider, describe your relationship with your sales and service force and with your dealer network in delivering the products and services proposed in this RFP. Are these individuals your employees, or the employees of a third party?</p>	<p>Both New Way's sales force and Dealer Network cover all of the U.S. and Canada. Our sales force is comprised of all New Way employees, whereas our trusted dealers and their representatives are employees of their respective dealerships.</p> <p>Domestically, the New Way Dealer network is made up of 36 privately owned dealerships with 83 separate locations across the United States. In Canada, our Dealer Network is five dealerships strong and spans 13 locations. This North American network includes hundreds of employees dedicated to showcasing the New Way brand. To support its customers and extensive Dealer Network, New Way Trucks has a broad sales, marketing, and service organization made up of New Way employees. Ten Regional Sales Managers (RSMs) are responsible for our North American sales territories and provide direct dealer and end-user product support. These RSMs are responsible for training, educating, and demonstrating our products to end-users and dealers. They also assist with price quoting, order development, and support both during and after the product sale. Our Service, Warranty, and Parts teams provide after-sales support to both dealers and end-users. Field Service teams provide on-site technical support and training to our end users and Dealer Network.</p> <p>New Way certified field service technicians are available to Members. These field service technicians provide service and support at Dealer and Member locations to assist with any maintenance needs that arise.</p> <p>The New Way Dealer Network is the first line of defense for any parts or service issue. Each dealer maintains an inventory of stock parts and a team of service technicians are available to support Members when necessary.</p>
15	<p>If applicable, provide a detailed explanation outlining the licenses and certifications that are both required to be held, and actually held, by your organization (including third parties and subcontractors that you use) in pursuit of the business contemplated by this RFP.</p>	<p>The American National Standards Institute (ANSI) is the governing body for refuse equipment specifications and requirements in North America, and is administered by the National Waste and Recycling Association (NWRA). New Way is represented on all ANSI committees and is actively involved in establishing new equipment safety protocols and equipment specifications for our industry.</p> <p>New Way is also actively involved with the NWRA including holding senior-level board seats on both the 10-person Board of Trustees and the 11-seat Supplier Board of Governors. In addition, our manufacturing facility is certified by the Occupational, Safety, and Health Administration (OSHA).</p>
16	<p>Provide all "Suspension or Disbarment" information that has applied to your organization during the past ten years.</p>	<p>New Way Trucks has not been suspended or disbarred from participating in any government contracts since the company's inception.</p>
17	<p>Within this RFP category there may be subcategories of solutions. List subcategory titles that best describe your products and services.</p>	<p>Mobile Refuse Collection Vehicle Rental Program: New Way is a diversified provider of municipal equipment. As part of New Way's offering, we also provide rental options through New Way FleetForce - the only direct-from-manufacturer rental operation in the industry. New Way FleetForce provides both short and long-term rental solutions for all the equipment we manufacture. A rental program is a great solution for Members looking for different finance options to acquire the same great New Way Truck.</p> <p>Work Ready Vehicle Program: The New Way Trucks Work Ready Vehicle Program is designed to meet Members' immediate needs for solid waste collection vehicles. New Way regularly builds standard, well-equipped vehicles that provide immediate solutions for Members that desire quicker turnarounds.</p>

Industry Recognition & Marketplace Success

Line Item	Question	Response *
18	Describe any relevant industry awards or recognition that your company has received in the past five years	<p>New Way is extremely active in the North American solid waste industry and has been recognized by both the NWRA and Solid Waste Association of North America (SWANA) throughout the years. As mentioned in item seven, our founder, John McLaughlin is a member of the NWRA Hall of Fame.</p> <p>2019 NWRA member of the year Don Ross, New Way Vice President of Sales & Marketing. Though it falls outside of the suggested 5-year window, Don is also the recipient of the 2008 Solid Waste Association of North America (SWANA) Distinguished Service Award.</p> <p>2018 Waste360 40 under 40 Johnathon McLaughlin, New Way Executive Vice President</p> <p>2017 NWRA member of the year Mike McLaughlin, New Way Chief Executive Officer</p> <p>2016 SWANA Collection & Transfer Technical Division Director, Don Ross, New Way VP of Sales & Marketing</p>
19	What percentage of your sales are to the governmental sector in the past three years	New Way Trucks serves both the private and public sectors of the industry, however the majority of our customers are government entities. In the past three years alone nearly 80 percent of New Way sales were to the public sector.
20	What percentage of your sales are to the education sector in the past three years	Less than five percent of New Way sales is currently to the education sector, however New Way is proud to list a number of major universities as customers. This list includes Harvard University, Pennsylvania State University - University Park, The University of Missouri at Columbia, Bucknell University, The University of Minnesota - Twin Cities, Iowa State University, The George Washington University (DC), Georgia State University, and The Ohio State University. A number of other educational institutions are New Way customers, including the Jurupa Unified School District (CA), Long Island Unified (NY), San Ramon Valley Unified School District (CA), Atascadero Unified School District (CA), and the Long Beach Unified School District (CA), to name just a few.
21	List any state or cooperative purchasing contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?	New Way currently holds a contract with the Houston-Galveston Area Cooperative, however sales via this cooperative account for less than one percent of annual total units sold.
22	List any GSA contracts that you hold. What is the annual sales volume for each of these contracts over the past three years?	New Way is listed as a manufacturer on GSA contract #47QMCA18D000E, held by our dealer, Maryland Industrial Trucks. Through this contract New Way equips military bases around the globe with refuse collection equipment. Sales via this contract have accounted for less than five percent of annual total units sold.

Top Five Government or Education Customers

Line Item 24. Provide a list of your top five government, education, or non-profit customers (entity name is optional), including entity type, the state or province the entity is located in, scope of the project(s), size of transaction(s), and dollar volumes from the past three years.

Entity Name	Entity Type *	State / Province *	Scope of Work *	Size of Transactions *	Dollar Volume Past Three Years *
City of Sacramento, California	Government	California - CA	The City of Sacramento's Recycling and Solid Waste department has been a regular and consistent New Way customer for many years. California's capital city provides waste collection services to more than 128,000 residential customers, and New Way Trucks are trusted with the collection and disposal of all refuse and recycling materials.	New Way has built 49 mobile refuse collection vehicles for the City of Sacramento over the past 3 years, with 16 more currently on order. Our relationship goes back further than that, as there are dozens more New Way Trucks in the City's fleet.	\$7,966,496.98

City of Kansas City, Missouri	Government	Missouri - MO	A relatively new Sourcewell Member, Kansas City is one of the fastest-growing and dynamic municipalities in the Midwest. As a result of recently privatizing collection efforts, the city provides one of the most cost-effective trash and recycling collection services in the nation. Residents of Kansas City are not charged a monthly fee for trash collection service, but rather the service is funded from general tax dollars. Currently, Kansas City's Public Works Department is evaluating its current solid waste management process and is developing a Long-Term Solid Waste Strategic Management Plan, a plan that New Way is honored to be included in.	The city of Kansas City, Missouri's most recent New Way order was for 30 units.	\$2,047,314
City of Greenville, South Carolina	Government	South Carolina - SC	The Garbage & Recycling division of the City of Greenville, South Carolina uses New Way Trucks for the collection and disposal of residential solid waste. New Way Trucks contributed to the city's Fleet Services Division earning a #11 ranking on the NAFA Fleet Management Association's 2017 Top 100 list.	The City of Greenville's most recent New Way order was for 5 mobile refuse collection vehicles. Like many of our valued municipal partners, Greenville is a repeat customer.	\$1,202,697.90
Emerald Coast Utilities Authority (ECUA)	Government	Florida - FL	Among other services, the Emerald Coast Utilities Authority provides solid waste, recycling, and yard trash collection to residential properties within the unincorporated area of Escambia County, Florida. New Way is proud to have provided mobile refuse collection equipment to Florida's oldest county in an effort to keep a beautiful area of the country in pristine condition.	ECUA has bought 8 New Way Trucks within the past year, bringing the number of New Way mobile refuse collection vehicles in their fleet to an even 20. Through discussions with ECUA leadership, we are expecting orders anywhere from thirty to forty vehicles in the near future. Ten are on order currently, with more purchases programmed for 2020.	\$1,113,729.40
City of Savannah, Georgia	Government	Georgia - GA	The City of Savannah's Department of Refuse Disposal provides solid waste processing and disposal services for all City departments, Savannah residents, and paid subscribers residing in the unincorporated areas of Chatham County, Georgia. Savannah has been a national leader in handling waste in the management-by-component approach in which different types of waste have different handling characteristics and are re-used, recycled, processed, or disposed of accordingly. New Way is lucky to have been part of such an innovative approach to managing municipal solid waste.	Yet another repeat customer, the City of Savannah's latest order was for 6 New Way Trucks. With over 50 New Way Trucks in the City's fleet, we are glad to have played a part in keeping one of the nation's most picturesque cities beautiful for so many years.	\$519,650.52

Ability to Sell and Deliver Service Nationwide

Describe your company's capability to meet the needs of Sourcewell Members across the US, and Canada if applicable. Your response should address in detail at least the following areas: locations of your network of sales and service providers, the number of workers (full-time equivalents) involved in each sector, whether these workers are your direct employees (or employees of a third party), and any overlap between the sales and service functions.

Line Item	Question	Response *
25	Sales force.	New Way is proud to employ 10 Regional Sales Managers (RSMs) that cover all of the North American continent. Our RSMs are strategically located within their territories to provide immediate response to customer inquiries. New Way proudly boasts the largest sales team of any refuse equipment manufacturer in North America. Our RSMs are supported by three sales assistant, a sales order supervisor, and two marketing specialists located at our primary manufacturing facility.
26	Dealer network or other distribution methods.	New Way's Dealer Network is the cornerstone of the entire organization. Our expansive Dealer Network is able to service every state in the United States and all of Canada. Our 36 U.S. dealers have 83 locations throughout the country, and our 5 Canadian dealers have 13 locations throughout Canada.
27	Service force.	<p>New Way supports our dealer service programs with both factory-based and field service teams. Along with an extensive parts department, our factory-based service department operates like a call center by providing technical support to our dealers' service departments as well as our end users. New Way's four field service representatives are regionally located in Florida, Arizona, Missouri, and Iowa to provide on-site technical support for critical out-of-service issues and to support our factory-based service team with on-ground intelligence. Additionally, most dealers have their own service programs and provide field service support to customers.</p> <p>The New Way Parts Department - centrally located in Carroll, Iowa, has 3 knowledgeable call center support staff, 1 Internet salesperson, and 5 Shipping and receiving personnel to handle any replacement parts needs for Members in an efficient, professional, and timely manner. We have the ability to ship parts anywhere in the world with our logistics partnerships. Due to our close relationship with New Way's production plant, lead times for uncommon parts are very low.</p> <p>Our Dealer Network is the first line of defense for any parts and services inquiries. Each of our dealers currently stock parts and have several service technicians immediately available to provide assistance where needed.</p>
28	Describe in detail the process and procedure of your customer service program, if applicable. Include your response-time capabilities and commitments, as well as any incentives that help your providers meet your stated service goals or promises.	<p>New Way's service department is led by an experienced service manager and has two in-house service technicians and four field service technicians. Our two in-house technicians are always available by phone, so our response time is usually immediate. Our field service technicians are also available by phone but much of the time are on-site at customer or dealer locations as needed. In addition, the New Way controls, hydraulic and mechanical engineering teams are also available to assist the service team.</p> <p>To assure customer satisfaction each New Way service team member takes full ownership of each call and visit following up to complete resolution.</p> <p>Our parts department is able to provide immediate response to our customers' needs. New Way constantly works with our dealer support network to provide timely customer service out in the field as well. All dealers have access to the full New Way products parts catalog and keep the most common parts in stock for immediate delivery in order to support members and their New Way equipment. If a dealer doesn't have a part in stock, New Way ships globally! Based in the central United States, parts can be available anywhere in the continental US overnight.</p> <p>New Way's direct rental company, New Way FleetForce, is able to provide pre-positioned rental vehicles across the nation. Rental vehicles are also available for both long and short-term rentals for contract changes, seasonal leaf collection, emergency clean-up and disaster recovery, and other short or long-term refuse collection projects.</p> <p>Because New Way FleetForce rentals are immediately available, they are ideally suited to aid in natural disaster recovery operations. New Way Trucks have aided with storm clean-up efforts in both the Houston area following Hurricane Harvey and in Puerto Rico following Hurricane Maria.</p>
29	Identify any geographic areas of the United States that you will NOT be fully serving through the proposed contract.	New Way has mobile refuse collection vehicles in all 50 states, and is well-equipped to provide refuse equipment solutions to every state in the country. There is nowhere that we won't service nationwide.
30	Identify any Sourcewell Member sectors (i.e., government, education, not-for-profit) that you will NOT be fully serving through the proposed contract. Explain in detail. For example, does your company have only a regional presence, or do other cooperative purchasing contracts limit your ability to promote another contract?	Through our national presence and extensive dealer network, New Way Trucks is able to serve all Sourcewell Member sectors.
31	Define any specific contract requirements or restrictions that would apply to our Members in Hawaii and Alaska and in US Territories.	There are no restrictions in Alaska, Hawaii, or any US Territories. New Way vehicles are currently in service throughout Alaska, Hawaii, and all US Territories.

Marketing Plan

Line Item	Question	Response *
32	Describe your marketing strategy for promoting this contract opportunity. Upload representative samples of your marketing materials (if applicable) in the document upload section of your response.	<p>Sourcewell is and will continue to be a key feature in the entire New Way sales and marketing program. New Way dedicates a page on our website - newwaytrucks.com/sourcewell - to our partnership with Sourcewell. For the past five years, New Way has included the NJPA/Sourcewell contract information in all of its marketing efforts including a logo on all of our product brochures, in all dealer communication including electronic newsletters, and at all events and conferences. We have also partnered with Sourcewell staff to present the benefits of being a Sourcewell Member at the New Way semi-annual dealer summit event.</p> <p>Additionally, New Way will continue to participate in Nationwide Sourcewell training events. New Way Trucks is also prepared to co-sponsor local, regional, and nationwide trade shows with our Dealer Network - which all focus on our products and partnership with Sourcewell.</p> <p>Attached for your review are samples of our marketing materials. Product literature is available for all New Way products.</p>
33	Describe your use of technology and digital data (e.g., social media, metadata usage) to enhance marketing effectiveness.	<p>New Way is an industry leader in social media strategy & digital media execution. Our official accounts have over 3,700 page likes on Facebook, 500+ twitter followers, 250+ YouTube subscribers, and 1,000+ instagram followers.</p> <p>New Way Trucks is also an industry leader in online presence, as our advanced and comprehensive website has averaged over 12,750 pageviews every month throughout the last calendar year. Within the site is a password-protected dealer portal - a great resource for product specifications, company news, publicly available dealer contact information, and Sourcewell pricing and contract information for dealer use.</p> <p>Our on-site Research & Development Department is constantly striving to make data-driven decisions to improve the refuse bodies we manufacture. In turn, these product updates are marketed through both traditional and digital means.</p>
34	In your view, what is Sourcewell's role in promoting contracts arising out of this RFP? How will you integrate a Sourcewell-awarded contract into your sales process?	<p>A Sourcewell-awarded contract represents a long term partnership between well-respected organizations. This partnership is made stronger by the participation of its members and engagement of its vendors and Sourcewell represents the conduit between these entities. For the contract to be successful, both parties should help promote its value. A vendor such as New Way needs Sourcewell to connect us to its members while simultaneously promoting the competitive nature of the procurement tool, the high-quality, industry leading vendors it selects, and the ease of use of its program. At the same time, a vendor such as New Way, with its large North American footprint, vast dealer network, and industry-leading municipal customer base, should showcase its Sourcewell-awarded contract as the cornerstone of its municipal sales program. No other competitively procured agreement has the reach, ease of use, and cost savings of a Sourcewell-awarded contract, and New Way's team will promote and demonstrate that value through all of its sales and marketing channels, as it does today.</p> <p>New Way Trucks highly values Sourcewell's continued participation in our semi-annual dealer summit and training programs that bring together and support Members and Vendors.</p> <p>Sourcewell is already a large part of the sales process at New Way Trucks. We prominently place the Sourcewell logo and awarded contract number on product literature, marketing collateral, eNewsletters, and our website. Our New Way Dealers are very well-versed in doing business within the confines of the Sourcewell Contract. New Way will continue to exhibit our partnership with Sourcewell at local, regional, and national training events and tradeshow. Sourcewell will remain a key fixture in New Way's sales process.</p>
35	Are your products or services available through an e-procurement ordering process? If so, describe your e-procurement system and how governmental and educational customers have used it.	<p>Since 90 percent of our mobile refuse collection vehicles are specially customized for our customers, we do not currently offer an e-procurement ordering process.</p>

Value-Added Attributes

Line Item	Question	Response *
36	Describe any product, equipment, maintenance, or operator training programs that you offer to Sourcewell Members. Include details, such as whether training is standard or optional, who provides training, and any costs that apply.	<p>As mentioned previously, New Way regularly hosts Dealer Summits and nationwide training events aimed at informing and educating both our Dealer Network and Members on how to best care for our New Way Trucks. We also host and broadcast at-factory service events and vehicle updates. We'll even go out to a Member location and train them on the product during time-of-sale and throughout the product life cycle. We proactively train members to show how a New Way solution will work better for them than their current product. To do this effectively, we always have a fleet of new demo vehicles across the United States and Canada available for demonstration to Members.</p> <p>In addition to our regional and at-factory sessions, New Way provides standard on-site delivery maintenance training to the Member through our Dealer Network.</p>

37	Describe any technological advances that your proposed products or services offer.	<p>New Way is constantly innovating, and technological advances are too numerous to list. However, two significant advances include the following:</p> <p>Introduced 6 years ago, the New Way RotoPAC is the first auger-driven organics collection vehicle in North America. It is also the first mobile refuse collection vehicle that works equally as well with municipal solid waste as it does with organic refuse collection. Additionally, it is the first mobile compactor to offer 23,000 pounds of torque in a screw-type auger.</p> <p>In early 2018, New Way teamed with BYD - an international leader in battery-electric automobiles - to deliver the first 100 percent battery electric Class 8 rear loader to Recology Cleanscapes in Seattle, Washington. We are proud to have aided in developing the most advanced mobile refuse collection vehicles in the world and to have played such a major part in effecting positive, sustainable change. New Way Trucks is currently working with BYD on other 100 percent battery-electric configurations, including a fully-automated side load mobile refuse collection vehicle.</p> <p>New Way's latest body features are designed to make routine service easier than ever. To keep vehicles running in top form, periodic maintenance is required, and our 20-person engineering department is making that easier through thoughtful design.</p>
38	Describe any "green" initiatives that relate to your company or to your products or services, and include a list of the certifying agency for each.	<p>Aside from offering a compressed natural gas fueling system on any of our product models, resulting in cleaner emissions, New Way participates in other environmentally-friendly initiatives at our manufacturing facility. We monitor stormwater on an annual basis. We also participate in a filter program with a local landfill to ensure that we carry permits for proper disposal. In addition, we contract with Safety Kleen to dispose of paint waste in an environmentally-responsible manner. Finally, the air quality in our factory is tested twice per year, once in the summer and once in the winter. During this process, we analyze all areas of production to collect several readings to assure that our employees are breathing clean air.</p>
39	Identify any third-party issued eco-labels, ratings or certifications that your company has received for the equipment or products included in your Proposal related to energy efficiency or conservation, life-cycle design (cradle-to-cradle), or other green/sustainability factors.	<p>Alternative fuels continue to be a focus. That's why New Way incorporates fuel delivery systems into our truck bodies. Additionally, New Way teamed with BYD - an international leader in battery-electric automobiles - in early 2018 to deliver the first 100 percent battery electric Class 8 rear loader to Recology Cleanscapes in the Pacific Northwest. The BYD Chassis is the first of its kind in the United States, and New Way is proud to have made this project a reality. A number of units are currently on order in different configurations, and we are excited and honored to be at the forefront of the battery-electric movement as an alternative to traditionally fueled vehicles.</p> <p>More than 25 percent of all New Way mobile refuse collection vehicles are built to be fueled with compressed natural gas. Cleaner emissions, fuel savings, and whisper quiet operation are just a few reasons why so many of our clients are opting to make the transition to mobile refuse collection vehicles fueled by Compressed Natural Gas. CNG systems are available on most New Way models, and we continue to work with fuel providers to make the waste industry more environmentally friendly.</p>
40	Describe any Women or Minority Business Entity (WMBE), Small Business Entity (SBE), or veteran owned business certifications that your company or hub partners have obtained. Upload documentation of certification (as applicable) in the document upload section of your response.	<p>New Way is a family-owned company and, as a result, is not eligible for these certifications. However, New Way supports the National Waste & Recycling Association women's council through active engagement and generous contributions to the association. We are proud to have representation on the NWRA Women's Council, and we are honored to employ several active-duty U.S. military members and veterans.</p> <p>Southern Sewer Equipment Sales, one of our New Way Dealers in Florida, is a 51 percent female owned, state-certified MBE. It is also certified by several cities and counties with certification pending in others.</p> <p>Envirotech Equipment Company, our New Way Dealer for the state of Wisconsin, is a certified woman-owned business located in Lannon, Wisconsin.</p> <p>Guthrie Sales & Service, our New Way Dealer that serves northwest New York State, was founded in 2015 and is currently woman-owned.</p>

41	<p>What unique attributes does your company, your products, or your services offer to Sourcewell Members? What makes your proposed solutions unique in your industry as it applies to Sourcewell members?</p>	<p>Dealer Network</p> <p>New Way Trucks is an industry leader unlike other mobile refuse collection vehicle manufacturers in many ways. Most importantly, we've got the strongest and most well-respected Dealer Network in the industry. We're also proud to boast the widest, and continually expanding, product lineup in the mobile refuse collection vehicle manufacturing industry. Additionally, New Way is home to the only direct-from-manufacturer rental company, New Way FleetForce, in the industry. Our competitors use third parties to rent and lease their vehicles.</p> <p>Customization</p> <p>New Way Trucks believes that all solid waste is local and although waste collection may be similar in different areas of the country, it takes on its own unique character, depending on where it occurs. As a result, each New Way Truck takes on its own unique personality and is customized for that specific local waste collection need.</p> <p>As the largest privately-held manufacturer of refuse bodies in North America, we are proud to offer the most customizable bodies available on the market today. 90 percent of our mobile refuse collection vehicles leave our manufacturing facilities specially customized for our valued customers. We are also the fastest-growing company - public or private - in the entire solid waste industry. New Way Trucks was the first North American refuse manufacturer in China and was a vital part of the 2008 Beijing Olympics, where more than 270 New Way Trucks were used to service one of the largest international sporting events in the world.</p> <p>Local Partner - Global Reach</p> <p>We have the ability to ship parts anywhere in the world with our logistics partnerships. All dealers have access to the full New Way products parts catalog and keep the most common parts in stock for immediate delivery in order to support members and their New Way equipment. In the rare case of a dealer being out of a stock part, New Way ships globally! Based in the central United States, parts can be available anywhere in the continental US overnight.</p>
42	<p>Identify your ability and willingness to provide your products and services to Sourcewell member agencies in Canada.</p>	<p>Through our 5 dealer partners across 13 locations in the country, New Way is proud to offer all our mobile refuse collection vehicles and service capabilities to Canada in its entirety.</p>

Warranty

Describe in detail your manufacturer warranty program, including conditions and requirements to qualify, claims procedure, and overall structure. You may upload representative samples of your warranty materials (if applicable) in the document upload section of your response in addition to responding to the questions below.

Line Item	Question	Response *
43	<p>Do your warranties cover all products, parts, and labor?</p>	<p>New Way manufactured replacement parts, components, and assemblies are sold under a Limited Warranty to be free from defects in workmanship or material for a period of twelve (12) months. This is a part replacement only warranty and the item must be returned to the New Way Dealer for exchange. The labor and shipping cost to replace the parts shall be the responsibility of the customer. There is no warranty on expendable items, wear components, or used parts.</p> <p>Extended warranties are available on all of our current bodies and turnkey chassis. More information about extended warranties can be found on our price sheets and via the chassis' Original Equipment Manufacturer (OEM).</p> <p>Sourcewell Members will register their New Way warranty cards. This process is handled via an easy online form that a Member's local New Way Dealer can fill out.</p> <p>Parts only warranty (see section III.d of attached warranty statement) will apply for distributor or customer installed accessories that have been purchased through Scranton Manufacturing Company, provided part failure was not due to improper installation, use, or neglect. Damage caused by incorrectly installed field accessories may void portions or all of the unit's warranty.</p> <p>When a warranty service is requested, the distributor shall:</p> <ul style="list-style-type: none"> -Verify warranty eligibility of the machine to be serviced per previous sections -Diagnose the problem to determine that the service is warrantable -Ensure that the parts necessary to perform the repair are available -Provide the necessary repair services <p>Complete and submit the Warranty Request Form</p> <p>For more on the Warranty Request Form, see sections V.b and V.c of the attached warranty statement</p>

44	Do your warranties impose usage restrictions or other limitations that adversely affect coverage?	<p>New Way's warranty shall not apply to equipment that has been subject to misuse, negligence, or accident, or which has been repaired or altered without New Way's prior knowledge or consent. New Way will not be responsible for warranty repairs made in the field by personnel other than from New Way or an authorized New Way agent unless previously authorized by New Way.</p> <p>New Way Trucks are designed to operate only with the OEM products used by New Way. This limited warranty will be void if the New Way products are modified other than as done at New Way's factory or at a New Way authorized dealer unless authorized by New Way.</p> <p>Use of parts and assemblies from another manufacturer as substitutes for OEM products will also void the limited warranty. There will be no warranty on used parts.</p>
45	Do your warranties cover the expense of technicians' travel time and mileage to perform warranty repairs?	Travel time and mileage are not subject to warranty labor reimbursement.
46	Are there any geographic regions of the United States (and Canada, if applicable) for which you cannot provide a certified technician to perform warranty repairs? How will Sourcewell Members in these regions be provided service for warranty repair?	We have warranty service coverage in all areas covered under the Sourcewell contract. Service requests will be covered by the local authorized dealer or their designated service center.
47	Will you cover warranty service for items made by other manufacturers that are part of your proposal, or are these warranties issues typically passed on to the original equipment manufacturer?	<p>In the case where a chassis is provided, New Way's warranty covers the vehicle's body only. The OEM is responsible for covering the warranty for a chassis.</p> <p>New Way's warranty statement does not cover other manufacturers' goods. New Way warrants the packer body assembly for a standard base period of one (1) year from date of delivery (see section III.a of attached warranty statement). This limited warranty applies to body components as defined below to be free from proven defects in material and workmanship. Wear parts (pins, bushings, chain assemblies, door and gate seals, wear pads, etc.), and normal wear and tear are excluded. Labor repair cost may also be covered, (see section IV.g of attached warranty statement). The body assembly is defined as the following:</p> <ul style="list-style-type: none"> -Arms (front loaders and side loaders) -Packer or Eject Panel -Tailgate -Electrical components -Factory installed aftermarket parts (see section IV.a of attached warranty statement) -Hydraulic components not including cylinders (see section IV.d of attached warranty statement) -Paint <p>Base Hydraulic Cylinder Warranty</p> <p>New Way warrants all hydraulic cylinders for a standard base period of two (2) years. This limited warranty applies to cylinder defects in material and/or workmanship only. See section IV.c of attached warranty statement for details. During the first year, replacement labor (see section IV.g of attached warranty statement) and shipping cost to the authorized distributor are covered. At the start of the second year, replacement labor and shipping costs are not covered by New Way. Optional three (3) or five (5) year extended warranties for hydraulic cylinders are available.</p>
48	What are your proposed exchange and return programs and policies?	<p>In the case of catastrophic failure of one of our bodies that is deemed to be the fault of our manufacturing process, New Way would offer a replacement at our expense.</p> <p>Parts may be returned by following the procedure outlined in section VI.a of the attached warranty statement.</p>
49	Describe any service contract options for the items included in your proposal.	Service contracts are not available at this time, however optional extended warranties are available at the time of order.

Payment Terms and Financing Options

Line Item	Question	Response *
50	What are your payment terms (e.g., net 10, net 30)?	Net 30 Days
51	Do you provide leasing or financing options, especially those options that schools and governmental entities may need to use in order to make certain acquisitions?	<p>New Way offers a number of financing options, including Sourcewell's National Cooperative Partner program.</p> <p>Leasing through New Way FleetForce - As part of New Way's offering, we also provide rental options through New Way FleetForce. As the only direct-from-manufacturer refuse hauler renter in the industry, New Way FleetForce provides both short and long-term rental solutions for all the equipment we manufacture. This includes our full line of Front Loaders, Rear Loaders, Automated Side Loaders, and our Satellite Side Loader. A rental program is a great solution for Members looking for different finance options to acquire the same great New Way product. New Way FleetForce offers various rental contract options, ranging from as short as one week to a multiple years-long rental contract. Through maintaining a rental offering of the newest and most productive waste collection vehicles, New Way FleetForce has the volume to meet Members various needs and can coordinate the delivery rental units directly to Members in a timely manner. In most cases, delivery can happen immediately.</p> <p>Rentals are a desirable option for many haulers and especially for Members that represent municipalities. Leasing allows Members to:</p> <ul style="list-style-type: none"> -Easily begin a new collection route due to annexation without the typical up-front investment of purchasing. -Start a new route or relationship without the possible strain on cash flow. -Quickly replace a fleet unit that goes down unexpectedly or is out of service. -Manage an emergency clean-up situation where time is of the essence or a temporary expansion of service may be necessary - such as seasonal leaf and brush collection. -Take on a brand new route with a quality New Way waste collection unit after determining which model is best for the situation.
52	Briefly describe your proposed order process. Include enough detail to support your ability to report quarterly sales to Sourcewell as described in the Contract template. For example, indicate whether your dealer network is included in your response and whether each dealer (or some other entity) will process the Sourcewell Members' purchase orders.	<p>New Way's Sourcewell order procedure has been streamlined into a simple 5-step process.</p> <ol style="list-style-type: none"> 1. A Member searches the New Way website or contacts a local New Way dealer for a mobile refuse collection vehicle that meets their unique specifications. 2. The New Way Dealer visits the Sourcewell website to verify Sourcewell Membership and develops a New Way Trucks Dealer quotation to the Member's specifications utilizing the Sourcewell Contract's discounted pricing and sends to the Member for approval. 3. The Member approves the quotation and issues a purchase order to the New Way Dealer, who subsequently submits a dealer order to New Way to start production. 4. Once complete, the mobile refuse collection vehicle is shipped to the New Way Dealer for pre-delivery inspection (PDI), and a delivery appointment is coordinated with the Member. 5. The mobile refuse collection vehicle is moved to the Member's location, where the New Way Dealer conducts operator training and the Member takes delivery of its New Way mobile refuse collection vehicle.
53	Do you accept the P-card procurement and payment process? If so, is there any additional cost to Sourcewell Members for using this process?	We do accept the P-card procurement and payment process. There is a 3% processing fee associated with all P-card purchases.

Pricing and Delivery

Provide detailed pricing information in the questions that follow below. Keep in mind that reasonable price and product adjustments can be made during the term of an awarded Contract as described in the RFP, the template Contract, and the Sourcewell Price and Product Change Request Form.

Line Item	Question	Response
54	Describe your pricing model (e.g., line-item discounts or product-category discounts). Provide detailed pricing data (including standard or list pricing and the Sourcewell discounted price) on all of the items that you want Sourcewell to consider as part of your RFP response. If applicable, provide a SKU for each item in your proposal. Upload your pricing materials (if applicable) in the document upload section of your response.	New Way Trucks maintains individual MSRP/retail price lists for each of our equipment product offerings. We will offer a four (4) percent discount off MSRP/retail price to Sourcewell Members under this contract. Please see our pricing attachment for all catalog pricing of our MSRP/retail equipment.
55	Quantify the pricing discount represented by the pricing proposal in this response. For example, if the pricing in your response represents a percentage discount from MSRP or list, state the percentage or percentage range.	New Way Trucks is offering all Members a four (4) percent discount off its retail or list price on all of our mobile refuse collection vehicle models.
56	Describe any quantity or volume discounts or rebate programs that you offer.	New Way Trucks is happy to offer negotiable volume discounts on large orders. New Way does not offer a rebate program at this time.
57	Propose a method of facilitating "sourced" products or related services, which may be referred to as "open market" items or "nonstandard options". For example, you may supply such items "at cost" or "at cost plus a percentage," or you may supply a quote for each such request.	New Way Trucks provides the following solutions: 1) Members have the option to purchase a chassis as a sourced good. In fact, New Way Trucks currently has over 550 chassis in stock from the top manufacturers in the industry. We are proud that our chassis inventory allows us to boast of the largest supply of ready vehicles in North America. 2) On the rare occasion that one of our work-ready chassis is not what a Member wants, we have the resources to locate the correct chassis for a Member. Due to our strategic partnerships with every major chassis manufacturer, we can purchase as many chassis as a Member desires at a competitive market price that is advantageous to the Member. Due to the level of customization that we provide, it may become necessary to source a "good" (chassis) from another provider. In that rare instance, the sourced good is considered cost-plus.
58	Identify any element of the total cost of acquisition that is NOT included in the pricing submitted with your response. This includes all additional charges associated with a purchase that are not directly identified as freight or shipping charges. For example, list costs for items like pre-delivery inspection, installation, set up, mandatory training, or initial inspection. Identify any parties that impose such costs and their relationship to the Proposer.	Items such as pre-delivery inspection, installation, set up, mandatory training, and initial inspection are all free of charge and completed prior to the Member taking delivery.
59	If freight, delivery, or shipping is an additional cost to the Sourcewell Member, describe in detail the complete freight, shipping, and delivery program.	New Way Trucks provides a few delivery options to Members. The Member can choose between picking a completed mobile refuse collection vehicle up at one of our manufacturing facilities, having the completed vehicle delivered to an authorized New Way Dealer, or having the completed vehicle delivered directly to the Member's location. We will work with the Member during the order process to identify the right choice. Freight is an additional sourced charge. New Way Trucks will always offer competitively procured freight costs to Members.
60	Specifically describe freight, shipping, and delivery terms or programs available for Alaska, Hawaii, Canada, or any offshore delivery.	Our Alaska and Hawaii New Way Dealers have years of experience in coordinating the delivery of New Way Trucks. In order to make it as easy as possible for Members in both states, our dealers will leverage their existing freight networks to coordinate timely and competitively-priced deliveries. Similarly, for Members in Canada, our respected Canadian Dealer Network that covers all of Canada will help broker freight and shipping. All freight costs are competitively procured. All freight charges will be passed through to members at a competitively-sourced cost without mark-up.
61	Describe any unique distribution and/or delivery methods or options offered in your proposal.	Our distribution network is unique in that New Way Trucks has the most robust Dealer Network in the United States. To best serve our extensive Dealer Network, New Way Trucks currently has 15 trained drivers delivering our New Way products across North America and also employs the best drive-away delivery companies as needed.

Pricing Offered

Line Item	The Pricing Offered in this Proposal is: *	Comments
62	c. better than the Proposer typically offers to GPOs, cooperative procurement organizations, or state purchasing departments.	New Way Trucks is providing our Dealer Network with a fixed, not-to-exceed cost below list price at a four (4) percent discount off manufacturer's suggested retail price for use nationwide and in Canada. For the purpose of this contract, all pricing is quoted in United States Dollars for both US and Canadian delivery.

Audit and Administrative Fee

Line Item	Question	Response *
63	Specifically describe any self-audit process or program that you plan to employ to verify compliance with your proposed Contract with Sourcewell. This process includes ensuring that Sourcewell Members obtain the proper pricing, that the Vendor reports all sales under the Contract each quarter, and that the Vendor remits the proper administrative fee to Sourcewell.	<p>Sourcewell orders will be independently tracked as part of the overall New Way Trucks order process;</p> <p>Member Numbers will be verified and compared to the most recent Member list;</p> <p>Order pricing is then verified to ensure pricing does not exceed the current Sourcewell discount and reviewed for potential volume discounts and additional member savings;</p> <p>For dealer-submitted non-Sourcewell municipal, educational, or non-profit orders, New Way Trucks will review the current Member list and notify the dealer if their customer is not a Sourcewell Member;</p> <p>New Way Trucks will provide a quarterly report of all Sourcewell sales along with the proper administrative fees for all orders reported</p>
64	Identify a proposed administrative fee that you will pay to Sourcewell for facilitating, managing, and promoting the Sourcewell Contract in the event that you are awarded a Contract. This fee is typically calculated as a percentage of Vendor's sales under the Contract or as a per-unit fee; it is not a line-item addition to the Member's cost of goods. (See the RFP and template Contract for additional details.)	New Way Trucks will provide Sourcewell with a Direct Sales Administrative Fee of 1.5 percent. The fee will apply to all currently-priced contract goods. The fee will not apply to non-contract priced goods such as freight, sourced goods, training, etc.

Industry Specific Questions

Line Item	Question	Response *
65	If you are awarded a contract, provide a few examples of internal metrics that will be tracked to measure whether you are having success with the contract.	New Way will track the total number of units quoted, units sold, overall sales figures, and lead time. We will also generate and track new Sourcewell Membership sign-ups done through our Dealer Network throughout the term of the contract.

66	If your proposal does not include the chassis as a turnkey solution, propose, in detail, the process you or your dealer will follow to assist the Sourcewell member to acquire the chassis.	<p>To meet more pressing Member needs, our proposal does include the chassis as a turnkey solution. This simple six (6) step process is laid out below.</p> <ol style="list-style-type: none"> 1) A Member searches the New Way website eShowroom or contacts a New Way dealer for a work-ready mobile refuse collection vehicle that meets their unique specifications. 2) The New Way Dealer verifies specifications and contacts our Sourcewell ready vehicle program manager for vehicle availability. 3) Once a vehicle is located, the New Way Dealer reviews specifications with the Member and quotes price based on not-to-exceed contract pricing. 4) The Member approves the quotation and issues a purchase order to the New Way Dealer, who subsequently submits a dealer order to New Way. 5) The work-ready mobile refuse collection vehicle is shipped to the New Way Dealer for pre-delivery inspection (PDI), and a delivery appointment is coordinated with the Member. 6) The ready vehicle is then moved to the Member's location. When it arrives, the New Way Dealer conducts operator training and the Member takes delivery of its New Way work-ready refuse truck. <p>Through New Way, we are proud to offer work-ready refuse vehicle solutions for immediate sale. Members are welcome to choose between these work-ready solutions or a more customizable option, whichever choice better meets a Member's desires. New Way's current work-ready trucks are always in production and are constantly available. They are featured and advertised on our eShowroom website, accompanied by easy-to-read specification sheets, detailed photographs, and professionally-shot videos. This helps a Member more easily find what inventory is immediately available and ready for purchase. We also have trucks currently working in our Demonstration Truck line that are aggressively priced and ready for immediate sale. We even have off-rent trucks available for purchase as well.</p>
67	Explain key designs or processes your company takes to provide and promote safe operation of your equipment.	<p>New Way's engineers study ergonomics throughout our production process. We strive to have the safest working environment for both our employees and the end user when interacting with our mobile refuse collection vehicles. We cover all operational hazards with an exhaustive list of safety features and engineering controls, such as interlocks, guarding, signage, and recommending personal protective equipment when necessary.</p> <p>We also provide thorough operators manuals and require New Way Dealers to complete final walk-throughs with end users that aim to promote the safest operation of our New Way Trucks as possible. Everything we do is done with operator safety and ergonomics in mind, and we continue to take a proactive approach to safety improvements that are frankly too numerous to count. Whether it be rear-vision cameras, automatic tailgate latches, internal hydraulic cylinders to reduce external pinch-points, integrated strobe-light safety systems, safety sensors, or our largest standard riding steps in the industry, New Way Trucks leads the pack as one of the most innovative and safety-driven manufacturers for mobile refuse collection vehicle operators in the nation. Our research & development and engineering departments are constantly making improved safety integrations in an effort to keep our mobile refuse collection vehicles the safest industry-wide.</p> <p>As we outlined in item 15, New Way is leading the industry by having representation on all American National Standards Institute (ANSI) committees. We are also actively involved in establishing new equipment safety protocols for the refuse industry both with the help of ANSI and internally in our Research & Development department.</p>
68	Explain how your equipment in this category reduces down-time for the purchasing entity.	<p>Before a completed New Way Truck leaves for the purchasing entity's destination, the New Way quality department must complete a thorough internal quality inspection checklist. In addition, final product testing is required before a mobile refuse collection vehicle is shipped out to the purchaser. A standard walk-around and demonstration on initial delivery to the Member must also be completed.</p> <p>At all times, at least four New Way certified field technicians and trucks are available to help with uptime in the field as well. New Way is proud to provide service and inspections in the field to assure uptime and to help with any maintenance issues that may arise.</p>
69	Describe how the equipment you propose simplifies the operation for end-users.	<p>By providing the most robust product line in the industry, Members are able to get exactly what they need. New Way proudly provides more customizable options than any other mobile refuse collection vehicle manufacturer in the United States and Canada. 90 percent of the mobile refuse collection vehicles that we manufacture are customized in one way or another. Our customization options available to end-users are the most competitive in the refuse industry. Once delivered, our vehicles are ready to operate and require no additional modifications for refuse collection.</p>

70	Provide examples from your product offering that are unique in the industry.	<p>As the largest privately-held mobile refuse collection vehicle manufacturer in North America, another feature that sets New Way apart in the industry is that we offer the most robust product line available. Members are able to choose from mobile refuse collection vehicle sizes as small as 6 cubic yards to as large as 43 cubic yards.</p> <p>We are also receptive to our end-users' needs, as 90 percent of our vehicles leave our plant having been customized in some way, shape, or form. New Way is also home to the only direct-from-manufacturer rental company (FleetForce) in the industry. Members are not required to work through a third party for a rental mobile refuse collection vehicle.</p> <p>New Way Trucks also offers the RotoPAC, the first automated, auger-driven organics and municipal solid waste collection vehicle in the world.</p> <p>It is the most versatile collection body available today. The RotoPAC is also the first mobile compactor of its kind to offer 23,000 pounds of torque in a screw-type auger for an impressive 1,000 pounds per cubic yard compaction rate. The automated side-loader also offers the best legal payload in the industry, easily handling up to 13 tons of organic or municipal solid waste. The RotoPAC's hopper displacement also ranks 20 percent higher than any other automated side load system, at 7 cubic yards per minute. Finally, with a wheelbase 24 inches shorter than conventional side loaders, the RotoPAC is able to get you into, and out of, the tightest spaces with relative ease.</p> <p>The arm of our Sidewinder XTR Automated Side-Loader is the smoothest operating, most durable arm in the mobile refuse collection vehicle industry.</p>
71	If an hybrid/electric chassis option is not a part of your product offering, provide information on when a hybrid/electric option may be part of your offering.	<p>New Way Trucks is proud to offer Members battery-electric options. In early 2018, we teamed with BYD - an international leader in battery-electric automobiles - to announce the first 100 percent battery electric Class 8 rear loader to Recology Cleanscapes in the Pacific Northwest. The BYD Chassis is the first of its kind in the United States, and New Way is proud to have made this project a reality.</p> <p>A number of units are currently on order in different configurations, and we are excited and honored to be at the forefront of the battery-electric movement as an alternative to traditionally fueled vehicles. Through our working relationship with BYD we aim to further integrate our products into the electric vehicle space to provide a better, greener, overall mobile refuse collection vehicle.</p> <p>Although pricing was not available at the time of this proposal, Members can expect the same four (4) percent discount as soon as it is made available. By our estimates, this will occur in the first quarter of 2020.</p>
72	Describe any safety innovations on your equipment that are either exclusive or that you have introduced into the marketplace.	<p>The American National Standards Institute (ANSI) is the governing body for refuse equipment specifications and requirements in North America, and is administered by the National Waste and Recycling Association (NWRA). New Way is represented on all ANSI committees and is actively involved in establishing new equipment safety protocols for our industry. As industry leaders, we help shape the safety innovations of the future. For example, New Way was one of the first manufacturers to make rear-vision cameras - a chief safety measure in the refuse industry - standard on our mobile refuse collection vehicles over a decade ago.</p> <p>The integration of a New Way body with its chassis is one of the most critical safety and performance related processes. New Way works exhaustively behind the scenes with every major truck chassis manufacturer to seamlessly integrate the body and chassis as a single refuse collection vehicle instead of simply a chassis and body like many of our competitors. The relationships between New Way and its chassis manufacturers is emblematic of the final marriage of body and chassis; that is a fully integrated, pre-engineered, fully-validated chassis and body combination. The chassis come ready for immediate mounting, with no cutting and splicing of wires, in many cases the vehicle's frame and controls are fully integrated to provide as safe of an operator experience as is available today. This process reduces the complexity of wiring and routing, reduces weight, mitigates electronic mishaps, and makes routine maintenance easier, faster, and cheaper for the Member. Additionally, integration makes operating the mobile refuse collection vehicle more ergonomic, thus increasing driver productivity and decreasing driver fatigue. All of these features combine to make drivers' jobs easier and more comfortable, which results in higher driver retention rates. Higher retention means more experienced operators that are more adept at not only keeping themselves safe, but those on the road around them as well.</p>

Exceptions to Terms, Conditions, or Specifications Form

Line Item 68. NOTICE: To identify any exception, or to request any modification, to the Sourcwell template Contract terms, conditions, or specifications, a Proposer must submit the exception or requested modification on the **Exceptions to Terms, Conditions, or Specifications Form** immediately below. The contract section, the specific text addressed by the exception or requested modification, and the proposed modification must be identified in detail. Proposer's exceptions and proposed modifications are subject to review and approval of Sourcwell and will not automatically be included in the contract.

Contract Section	Term, Condition, or Specification	Exception or Proposed Modification

Documents

Ensure your submission document(s) conforms to the following:

1. Documents in PDF format are preferred. Documents in Word, Excel, or compatible formats may also be provided.
2. Documents should NOT have a security password, as Sourcwell may not be able to open the file. It is your sole responsibility to ensure that the uploaded document(s) are not either defective, corrupted or blank and that the documents can be opened and viewed by Sourcwell.
3. Sourcwell may reject any response where any document(s) cannot be opened and viewed by Sourcwell.
4. If you need to upload more than one (1) document for a single item, you should combine the documents into one zipped file. If the zipped file contains more than one (1) document, ensure each document is named, in relation to the submission format item responding to. For example, if responding to the Marketing Plan category save the document as "Marketing Plan."

Proposers Assurance of Comp

PROPOSER ASSURANCE OF COMPLIANCE

PROPOSER'S AFFIDAVIT

The undersigned, authorized representative of the entity submitting the foregoing proposal (the "Proposer"), swears that the following statements are true to the best of his or her knowledge.

1. The Proposer is submitting its proposal under its true and correct name, the Proposer has been properly originated and legally exists in good standing in its state of residence, the Proposer possesses, or will possess before delivering any products and related services, all applicable licenses necessary for such delivery to Sourcewell member agencies. The undersigned affirms that he or she is authorized to act on behalf of, and to legally bind the Proposer to the terms in this Contract.
2. The Proposer, or any person representing the Proposer, has not directly or indirectly entered into any agreement or arrangement with any other vendor or supplier, any official or employee of Sourcewell, or any person, firm, or corporation under contract with Sourcewell, in an effort to influence the pricing, terms, or conditions relating to this RFP in any way that adversely affects the free and open competition for a Contract award under this RFP.
3. The contents of the Proposer's proposal have not been communicated by the Proposer or its employees or agents to any person not an employee or agent of the Proposer and will not be communicated to any such persons prior to the official opening of the proposals.
4. The Proposer has examined and understands the terms, conditions, scope, contract opportunity, specifications request, and other documents in this solicitation and affirms that any and all exceptions have been noted and included with the Proposer's Proposal.
5. The Proposer will, if awarded a Contract, provide to Sourcewell Members the /products and services in accordance with the terms, conditions, and scope of this RFP, with the Proposer-offered specifications, and with the other documents in this solicitation.
6. The Proposer agrees to deliver products and services through valid contracts, purchase orders, or means that are acceptable to Sourcewell Members. Unless otherwise agreed to, the Proposer must provide only new and first-quality products and related services to Sourcewell Members under an awarded Contract.
7. The Proposer will comply with all applicable provisions of federal, state, and local laws, regulations, rules, and orders.
8. The Proposer understands that Sourcewell will reject RFP proposals that are marked "confidential" (or "nonpublic," etc.), either substantially or in their entirety. Under Minnesota Statute §13.591, Subd. 4, all proposals are considered nonpublic data until the evaluation is complete and a Contract is awarded. At that point, proposals generally become public data. Minnesota Statute §13.37 permits only certain narrowly defined data to be considered a "trade secret," and thus nonpublic data under Minnesota's Data Practices Act.

The Proposer understands that it is the Proposer's duty to protect information that it considers nonpublic, and it agrees to defend and indemnify Sourcewell for reasonable measures that Sourcewell takes to uphold such a data designation.

By checking this box I acknowledge that I am bound by the terms of the Proposer's Affidavit, have the legal authority to submit this Proposal on behalf of the Proposer, and that this electronic acknowledgment has the same legal effect, validity, and enforceability as if I had hand signed the Proposal. This signature will not be denied such legal effect, validity, or enforceability solely because an electronic signature or electronic record was used in its formation. - Jesse Geeslin, Director of Sales for New Way FleetForce

The Proposer declares that there is an actual or potential Conflict of Interest relating to the preparation of its submission, and/or the Proposer foresees an actual or potential Conflict of Interest in performing the contractual obligations contemplated in the bid.
