Re: Irby - Sole Source Distributor

Dear Mr. Mayo:

This is to confirm Irby Electrical is currently the only distributor appointed and authorized to sell Allen-Bradley Standard Controls, Drives, PLC/MMI, Rockwell Software products and all services offerings in the geographic area in which the City of Panama City Beach is located. As a matter of company policy, full factory product and sales support is made available only to the local authorized distributor. It is Rockwell Automation's practice and policy to always promote and recommend the use of the authorized distributor to customers in that geographic area. Rockwell Automation discourages the use of other non-authorized sources, including distributors who may hold an Allen-Bradley appointment in another locale.

Should you have any questions regarding the above, please do not hesitate to contact your local Irby office or our local Rockwell Automation sales office at (251) 213-1407.
