NOTICE OF AWARD

TO: Fortiline, Inc. d/b/a Fortiline Waterworks
1417 Transmitter Road
Springfield, FL 32405

PRODUCT DESCRIPTION:

PCB24-19 ITB – BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

The City of Panama City Beach (“City”) has considered the BID submitted by you for the above-described Product in response to its Advertisement for Bids dated December 7, 2023, and associated Information for Bidders.

You are hereby notified that your bid proposal has been accepted by the City. Provided, however, nothing in this Notice or your delivery to the City of the Agreement executed by you shall in any manner or way be deemed to create any contract between you and the City. No contract shall be created unless and until the City signs the Agreement.

You are required by the Information for Bidders to execute this Agreement.

If you fail to execute said Agreement within ten (10) calendar days from the date of this Notice, City will be entitled to consider all your rights arising out of the City’s acceptance of your BID abandoned.

You must return an acknowledged copy of this Notice of Award to the City, with the executed Agreement and required Certificates of Insurance, within the above noted ten (10) calendar day period.

Dated this 11th day of January, 2024.

[END OF NOTICE OF AWARD]

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

AGREEMENT

BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

THIS AGREEMENT for BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES is made and entered into this 11th day of January 2024, by and between the **CITY OF PANAMA CITY BEACH, FLORIDA**, a municipal corporation (City) and Fortiline, Inc. d/b/a Fortiline Waterworks (Contractor or Vendor).

PREMISES

1. SCOPE OF WORK

Contractor will deliver brass fittings, meter boxes, and other appurtenances, as more particularly described in the Scope of Work/Specifications listed in Invitation to Bid number PCB24-19, the terms of which are expressly incorporated herein.

If the Contractor believes that any particular product is not within the scope of the contract, is a material change, or will otherwise require more compensation to the Contractor, the Contractor must immediately notify the City's Representative in writing of this belief. If the City's Representative believes that a particular product is within the scope of the contract as written, the Contractor will be ordered to and shall continue to supply the product(s) as changed and at the cost stated. The Contractor must assert its right to an adjustment in cost under this clause within thirty (30) days from the date of the receipt of this agreement.

2. COMPENSATION

As compensation for the products contemplated herein and performance rendered by the Contractor of its duties and obligations hereunder, City shall pay Contractor according to the not to exceed price submitted on PCB24-19 Brass Fittings, Meter Boxes, and Other Appurtenances Bid Proposal Form. The City shall pay to the Vendor as full consideration for the delivery of product required by this Agreement, at the UNIT PRICE contained in the Vendor's cost proposal, upon the basis of actual measured quantities as the same may be finally determined by the City Manager or his/her designee(s).

Extra and/or Additional Work Changes – Should City at any time during the contract request alterations, deviations, additions, or omissions from said specifications or other contract documents, it shall be at liberty to do so by written authorization to Contractor, and the same shall in no way affect or make void the Agreement. The unit price of any such addition or deletion from the contract Bid price must be mutually agreed upon by both parties.

3. PAYMENT

Contractor will invoice for payment to the City when the delivery and satisfactory inspection of the product(s) have been completed. The invoice(s) shall be delivered to accounts payable at City Hall, 17007 Panama City Beach Parkway, Panama City Beach, Florida 32413. Invoices shall be paid via ACH or Virtual Credit Card only.

4. TERM

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

Unless terminated sooner pursuant to the provision of the Termination clauses contained in paragraph 5, and subject to the availability of funds appropriated for this purpose, this Agreement shall take effect on the executed date of award and be valid for a period of one (1) year with an option to renew by mutual consent of each party for two additional one (1) year terms.

5. TERMINATION OF CONTRACT

- A. City Termination for Cause – The Agreement may be terminated by the City for cause in the event of any breach hereof, including, but not limited to, Contractor's: (1) failing to carry forward and complete the Work as provided herein; (2) failing to comply with applicable laws, regulations, permits, or ordinances; (3) failing to timely correct defective Work; (4) making a general assignment for the benefit of its creditors; (5) having a receiver appointed because of insolvency; (6) filing bankruptcy or having a petition for involuntary bankruptcy filed against it; (7) failing to make payments when due to subcontractors, vendors, or others for materials or labor used in the Work; (8) making a material misrepresentation to the City regarding the Work; (9) arrest or conviction of felony or fraud, or (10) any other material breach of this Agreement. In such event, the City shall provide Contractor with written notice of its intention to terminate this Agreement, stating the nature of the deficiency and the effective date of termination. At the City's sole judgement and discretion, the City may afford Contractor an opportunity to cure said deficiency, in which event the notice shall specify the time allowed. Upon termination, the City may take possession of the premises and of all materials thereon and finish the Work by whatever means it seems expedient.
- B. City Termination for Convenience – Notwithstanding any other provision hereof, the City may at any time terminate this Agreement or any Work issued under it, in whole or in part, without cause, upon thirty (30) days advanced written notice to Contractor. In such event, Contractor shall be compensated for any Work performed prior to the date of termination and for materials that were ordered prior to receipt of notice of termination that cannot be returned to the vendor, which shall become City property. Upon receipt of notice, Contractor shall discontinue Work on the date and to the extent specified therein and shall place no further orders for materials, equipment, services, or facilities, except as needed to continue any portion of the Work not terminated. Contractor shall also make every reasonable effort to cancel, upon terms satisfactory to the City, all orders or subcontracts related to the terminated Work. Contractor may not claim any compensation not specifically provided herein, including, but not limited to loss of anticipated profits, idle equipment, labor, and facilities, or any additional claims of subcontractors and vendors.

6. PRICE ADJUSTMENTS

- A. Increases – Contractor may request a price increase adjustment no more than two times in any contract year. In the event Contractor desires a price increase, City must be

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

notified immediately. Price increases must be approved by City and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by Producer Price Index or manufacturer documentation and justification. Contractor must honor previous prices for thirty (30) days after approval and written notification from City. It is Contractor's responsibility to keep all pricing up to date and on file with City. All price changes must be provided to City using the same format as was provided and accepted in Contractor's proposal.

- B. Reductions – Price reductions may be offered at any time during the contract. City may request a price reduction, which Contractor shall permit, when such request is supported by Producer Price Index.

7. COMPLIANCE WITH LAWS

The Contractor shall be responsible to know and to apply all applicable federal and state laws, all local laws, ordinances, rules, regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the work, or which in any way affect the conduct of the work. Contractor shall always observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees. The Contractor shall protect and indemnify the City of Panama City Beach and all its officers, agents, servants, or employees against any claim or liability arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by Contractor, its representatives, sub-contractors, sub-consultants, professional associates, agents, servants, or employees. Additionally, Contractor shall obtain and maintain at its own expense all licenses and permits to conduct business pursuant to this contract from the federal government, State of Florida, Bay County, or municipalities when legally required, and maintain same in full force and effect during term of the contract.

8. WARRANTY

The Contractor agrees that, unless otherwise specified in the specifications of the invitation to bid, the product furnished as a result of this invitation and award thereto shall be covered by the most favorable commercial warranty the Contractor gives to any customer for comparable quantities of such products and that the right and remedies provided herein are in addition to and do not limit any rights afforded to the City by any other provision of the invitation/offer. Contractor warrants to the City that all construction and related services provided hereunder shall be performed in a good and workmanlike manner, by workers who are appropriately trained and experienced in the work being performed, and in accordance with all requirements of the contract documents, industry standards for projects of similar type and quality, and all applicable laws, codes, regulations and other requirements, including safety requirements.

9. INSURANCE AND INDEMNIFICATION

Contractor shall at its own expense maintain in force during the term of the contract the insurance on policies and insurers acceptable to the City as required by the City's Insurance Requirements attached hereto as Exhibit "A".

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

- i. Within thirty (30) days of the date of the Award, and thereafter upon the written request of the City, Contractor shall furnish to the City such certificates of coverage and certified copies of policies pursuant to the City's Insurance requirements in order to satisfy this provision, the documentation required by this part must be sent to the following address: ATTN: RISK MANAGEMENT DIRECTOR, 17007 Panama City Beach Parkway, Panama City Beach, Florida 32413.
- ii. Regardless of the coverage provided by any insurance, the successful Contractor shall indemnify, save harmless and defend the City, its agents, servants, or employees from and against any and all claims, liability, losses and/or causes of action which may arise from any negligent act or omission of the successful Contractor, its sub-contractors, agents, servants, or employees during the course of performing services or caused by the goods provided pursuant to these Bid documents and/or resultant contract.

If any third-party claim is made against the City that, if sustained, would give rise to indemnification liability of the Contractor under this Agreement, the City shall promptly cause notice of the claim to be delivered to the successful Contractor and shall afford the Contractor and its counsel, at the Contractor's/Vendor's sole expense, the opportunity to join in defending or compromising the claim. The covenants contained in this paragraph shall survive the termination of this Agreement.

10. ATTORNEY'S FEES

In the event of any litigation hereunder, each party shall be responsible for its own attorney's fees and court costs at all trial and appellate levels and at any mediation or arbitration.

11. TIME/LIQUIDATED DAMAGES

The Contractor and the City recognize that time is of the essence for this agreement and the City will suffer financial loss if the Work is not completed within the time specified. The parties also recognize the delays, expenses, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by the City if the Work is not completed on time. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay in completion of the Work (but not as a penalty), the Contractor shall pay the City the sum of 3.5% of the contract total dollar amount for each day that expires after the time specified herein for completion of the Work until the Work is completed.

12. FORCE MAJEURE

Contractor's failure or inability to perform the stated scope of work at any time as a result of circumstances beyond its control, such as, but not limited to, war, terrorism, strikes, fires, floods, hurricanes, acts of God, power failures, or damage or destruction of any facility related thereto, shall not be deemed a breach of this Agreement.

13. ASSIGNMENT

This Agreement is assignable with prior authorization from the City Council.

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

14. SEVERABILITY

In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

15. CHOICE OF LAW & VENUE

This Agreement shall be governed by the laws of the State of Florida. Any legal proceeding regarding this Agreement shall be brought in the 14th Judicial Circuit in Bay County, Florida.

16. MODIFICATIONS

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the City and Contractor.

17. WAIVER

Failure by the City to enforce any provision of this Agreement shall not be deemed a waiver of the provision or modification of this Agreement. A waiver by the City of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms and conditions of this Agreement.

18. NOTICES

Any notice required by this Agreement shall be directed to the parties as follows:

A. As to City:

City Representative: Leah Bailey

Title/Position: Utilities Business Manager

Email Address: leah.bailey@pcbfl.gov

BID PROPOSAL FORM

TO: City of Panama City Beach, Florida

SUBMITTED: Dec 7th, 2023.

PCB24-19 ITB Brass Fittings, Meter Boxes & Other Appurtenances

The Undersigned, as Bidder, hereby declares that they have examined the proposal specifications for PCB24-19 ITB Brass Fittings, Meter Boxes and Other Appurtenances and informed themselves fully regarding all terms and conditions pertaining to the product requirements and the Agreement.

The Bidder proposes and agrees, if this proposal is accepted, to contract with the City of Panama City Beach to supply the product for the unit prices listed in the following schedule, to furnish all labor and equipment for various brass fittings, meter boxes, and appurtenances, in complete accord with the described and reasonably intended requirements of the Invitation to Bid to the satisfaction of the City.

ADDENDUM: It is the sole responsibility of the bidder to determine if any addenda has been issued with this Invitation to Bid number **PCB24-19**.

NOTICE OF AWARD

TO: Core & Main, LP
2606 Airport Road
Panama City, FL 32405

PRODUCT DESCRIPTION:

PCB24-19 ITB – BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

The City of Panama City Beach ("City") has considered the BID submitted by you for the above-described Product in response to its Advertisement for Bids dated December 7, 2023, and associated Information for Bidders.

You are hereby notified that your bid proposal has been accepted by the City. Provided, however, nothing in this Notice or your delivery to the City of the Agreement executed by you shall in any manner or way be deemed to create any contract between you and the City. No contract shall be created unless and until the City signs the Agreement.

You are required by the Information for Bidders to execute this Agreement.

If you fail to execute said Agreement within ten (10) calendar days from the date of this Notice, City will be entitled to consider all your rights arising out of the City's acceptance of your BID abandoned.

You must return an acknowledged copy of this Notice of Award to the City, with the executed Agreement and required Certificates of Insurance, within the above noted ten (10) calendar day period.

Dated this 11th day of January, 2024.

[END OF NOTICE OF AWARD]

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

AGREEMENT

BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

THIS AGREEMENT for BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES is made and entered into this 11th day of January 2024, by and between the **CITY OF PANAMA CITY BEACH, FLORIDA**, a municipal corporation (City) and Core & Main, LP. (Contractor or Vendor).

PREMISES

1. SCOPE OF WORK

Contractor will deliver brass fittings, meter boxes, and other appurtenances, as more particularly described in the Scope of Work/Specifications listed in Invitation to Bid number PCB24-19, the terms of which are expressly incorporated herein.

If the Contractor believes that any particular product is not within the scope of the contract, is a material change, or will otherwise require more compensation to the Contractor, the Contractor must immediately notify the City's Representative in writing of this belief. If the City's Representative believes that a particular product is within the scope of the contract as written, the Contractor will be ordered to and shall continue to supply the product(s) as changed and at the cost stated. The Contractor must assert its right to an adjustment in cost under this clause within thirty (30) days from the date of the receipt of this agreement.

2. COMPENSATION

As compensation for the products contemplated herein and performance rendered by the Contractor of its duties and obligations hereunder, City shall pay Contractor according to the not to exceed price submitted on PCB24-19 Brass Fittings, Meter Boxes, and Other Appurtenances Bid Proposal Form. The City shall pay to the Vendor as full consideration for the delivery of product required by this Agreement, at the UNIT PRICE contained in the Vendor's cost proposal, upon the basis of actual measured quantities as the same may be finally determined by the City Manager or his/her designee(s).

Extra and/or Additional Work Changes – Should City at any time during the contract request alterations, deviations, additions, or omissions from said specifications or other contract documents, it shall be at liberty to do so by written authorization to Contractor, and the same shall in no way affect or make void the Agreement. The unit price of any such addition or deletion from the contract Bid price must be mutually agreed upon by both parties.

3. PAYMENT

Contractor will invoice for payment to the City when the delivery and satisfactory inspection of the product(s) have been completed. The invoice(s) shall be delivered to accounts payable at City Hall, 17007 Panama City Beach Parkway, Panama City Beach, Florida 32413. Invoices shall be paid via ACH or Virtual Credit Card only.

4. TERM

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

Unless terminated sooner pursuant to the provision of the Termination clauses contained in paragraph 5, and subject to the availability of funds appropriated for this purpose, this Agreement shall take effect on the executed date of award and be valid for a period of one (1) year with an option to renew by mutual consent of each party for two additional one (1) year terms.

5. TERMINATION OF CONTRACT

- A. City Termination for Cause -- The Agreement may be terminated by the City for cause in the event of any breach hereof, including, but not limited to, Contractor's: (1) failing to carry forward and complete the Work as provided herein; (2) failing to comply with applicable laws, regulations, permits, or ordinances; (3) failing to timely correct defective Work; (4) making a general assignment for the benefit of its creditors; (5) having a receiver appointed because of insolvency; (6) filing bankruptcy or having a petition for involuntary bankruptcy filed against it; (7) failing to make payments when due to subcontractors, vendors, or others for materials or labor used in the Work; (8) making a material misrepresentation to the City regarding the Work; (9) arrest or conviction of felony or fraud, or (10) any other material breach of this Agreement. In such event, the City shall provide Contractor with written notice of its intention to terminate this Agreement, stating the nature of the deficiency and the effective date of termination. At the City's sole judgement and discretion, the City may afford Contractor an opportunity to cure said deficiency, in which event the notice shall specify the time allowed. Upon termination, the City may take possession of the premises and of all materials thereon and finish the Work by whatever means it seems expedient.
- B. City Termination for Convenience -- Notwithstanding any other provision hereof, the City may at any time terminate this Agreement or any Work issued under it, in whole or in part, without cause, upon thirty (30) days advanced written notice to Contractor. In such event, Contractor shall be compensated for any Work performed prior to the date of termination and for materials that were ordered prior to receipt of notice of termination that cannot be returned to the vendor, which shall become City property. Upon receipt of notice, Contractor shall discontinue Work on the date and to the extent specified therein and shall place no further orders for materials, equipment, services, or facilities, except as needed to continue any portion of the Work not terminated. Contractor shall also make every reasonable effort to cancel, upon terms satisfactory to the City, all orders or subcontracts related to the terminated Work. Contractor may not claim any compensation not specifically provided herein, including, but not limited to loss of anticipated profits, idle equipment, labor, and facilities, or any additional claims of subcontractors and vendors.

6. PRICE ADJUSTMENTS

- A. Increases -- Contractor may request a price increase adjustment no more than two times in any contract year. In the event Contractor desires a price increase, City must be

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

notified immediately. Price increases must be approved by City and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by Producer Price Index or manufacturer documentation and justification. Contractor must honor previous prices for thirty (30) days after approval and written notification from City. It is Contractor's responsibility to keep all pricing up to date and on file with City. All price changes must be provided to City using the same format as was provided and accepted in Contractor's proposal.

- B. Reductions – Price reductions may be offered at any time during the contract. City may request a price reduction, which Contractor shall permit, when such request is supported by Producer Price Index.

7. COMPLIANCE WITH LAWS

The Contractor shall be responsible to know and to apply all applicable federal and state laws, all local laws, ordinances, rules, regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the work, or which in any way affect the conduct of the work. Contractor shall always observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees. The Contractor shall protect and indemnify the City of Panama City Beach and all its officers, agents, servants, or employees against any claim or liability arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by Contractor, its representatives, sub-contractors, sub-consultants, professional associates, agents, servants, or employees. Additionally, Contractor shall obtain and maintain at its own expense all licenses and permits to conduct business pursuant to this contract from the federal government, State of Florida, Bay County, or municipalities when legally required, and maintain same in full force and effect during term of the contract.

8. WARRANTY

The Contractor agrees that, unless otherwise specified in the specifications of the invitation to bid, the product furnished as a result of this invitation and award thereto shall be covered by the most favorable commercial warranty the Contractor gives to any customer for comparable quantities of such products and that the right and remedies provided herein are in addition to and do not limit any rights afforded to the City by any other provision of the invitation/offer. Contractor warrants to the City that all construction and related services provided hereunder shall be performed in a good and workmanlike manner, by workers who are appropriately trained and experienced in the work being performed, and in accordance with all requirements of the contract documents, industry standards for projects of similar type and quality, and all applicable laws, codes, regulations and other requirements, including safety requirements.

9. INSURANCE AND INDEMNIFICATION

Contractor shall at its own expense maintain in force during the term of the contract the insurance on policies and insurers acceptable to the City as required by the City's Insurance Requirements attached hereto as Exhibit "A".

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

- i. Within thirty (30) days of the date of the Award, and thereafter upon the written request of the City, Contractor shall furnish to the City such certificates of coverage and certified copies of policies pursuant to the City's Insurance requirements in order to satisfy this provision, the documentation required by this part must be sent to the following address: ATTN: RISK MANAGEMENT DIRECTOR, 17007 Panama City Beach Parkway, Panama City Beach, Florida 32413.
- ii. Regardless of the coverage provided by any insurance, the successful Contractor shall indemnify, save harmless and defend the City, its agents, servants, or employees from and against any and all claims, liability, losses and/or causes of action which may arise from any negligent act or omission of the successful Contractor, its sub-contractors, agents, servants, or employees during the course of performing services or caused by the goods provided pursuant to these Bid documents and/or resultant contract.

If any third-party claim is made against the City that, if sustained, would give rise to indemnification liability of the Contractor under this Agreement, the City shall promptly cause notice of the claim to be delivered to the successful Contractor and shall afford the Contractor and its counsel, at the Contractor's/Vendor's sole expense, the opportunity to join in defending or compromising the claim. The covenants contained in this paragraph shall survive the termination of this Agreement.

10. ATTORNEY'S FEES

In the event of any litigation hereunder, each party shall be responsible for its own attorney's fees and court costs at all trial and appellate levels and at any mediation or arbitration.

11. TIME/LIQUIDATED DAMAGES

The Contractor and the City recognize that time is of the essence for this agreement and the City will suffer financial loss if the Work is not completed within the time specified. The parties also recognize the delays, expenses, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by the City if the Work is not completed on time. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay in completion of the Work (but not as a penalty), the Contractor shall pay the City the sum of 3.5% of the contract total dollar amount for each day that expires after the time specified herein for completion of the Work until the Work is completed.

12. FORCE MAJEURE

Contractor's failure or inability to perform the stated scope of work at any time as a result of circumstances beyond its control, such as, but not limited to, war, terrorism, strikes, fires, floods, hurricanes, acts of God, power failures, or damage or destruction of any facility related thereto, shall not be deemed a breach of this Agreement.

13. ASSIGNMENT

This Agreement is assignable with prior authorization from the City Council.

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

14. SEVERABILITY

In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

15. CHOICE OF LAW & VENUE

This Agreement shall be governed by the laws of the State of Florida. Any legal proceeding regarding this Agreement shall be brought in the 14th Judicial Circuit in Bay County, Florida.

16. MODIFICATIONS

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the City and Contractor.

17. WAIVER

Failure by the City to enforce any provision of this Agreement shall not be deemed a waiver of the provision or modification of this Agreement. A waiver by the City of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms and conditions of this Agreement.

18. NOTICES

Any notice required by this Agreement shall be directed to the parties as follows:

A. As to City:

City Representative: Leah Bailey

Title/Position: Utilities Business Manager

Email Address: leah.bailey@pcbfl.gov

PCB24-19 ITB BRASS FITTINGS, METER BOXES & OTHER APPURTENANCES

BID PROPOSAL FORM

TO: City of Panama City Beach, Florida

SUBMITTED: Dec 4th, 2023.

PCB24-19 ITB Brass Fittings, Meter Boxes & Other Appurtenances

The Undersigned, as Bidder, hereby declares that they have examined the proposal specifications for PCB24-19 ITB Brass Fittings, Meter Boxes and Other Appurtenances and informed themselves fully regarding all terms and conditions pertaining to the product requirements and the Agreement.

The Bidder proposes and agrees, if this proposal is accepted, to contract with the City of Panama City Beach to supply the product for the unit prices listed in the following schedule, to furnish all labor and equipment for various brass fittings, meter boxes, and appurtenances, in complete accord with the described and reasonably intended requirements of the Invitation to Bid to the satisfaction of the City.

ADDENDUM: It is the sole responsibility of the bidder to determine if any addenda has been issued with this Invitation to Bid number PCB24-19.

[END OF BID PROPOSAL FORM]

**Qualifications of Core & Main LP
Submitted to Panama City Beach
Brass Fittings, Meter Boxes and Other Appurtenances
PCB24-19 1TB**

Notwithstanding anything contained in any bid or contract documents to the contrary, Core & Main LP ("Core & Main") hereby qualifies its bid as follows. The bid of Core & Main and acceptance by Core & Main of any subsequent agreement is made expressly conditioned upon assent by Panama City Beach, Florida (the "Owner"), to the following additional or different terms, which shall supersede and control over the terms of any request for bid or request for proposal, any contract documents and specifications, and any prior addenda thereto:

1. **Indemnity:** Core & Main's obligations to indemnify Owner shall apply only to the extent claims, damages or expenses result from Core & Main's negligence, breach of contract, or violation of law.

2. **Insurance:** To the extent provided in its policy, Core & Main will only be able to provide a certificate of insurance, endorsements and coverage that are current form and meet industry standards subject to agreement by Core & Main's insurance provider. A Memorandum of Insurance is attached to demonstrate the level of coverage carried by Core & Main. Insurance coverage provided by Core & Main will be consistent with the provisions of Core & Main's policy, notwithstanding any differing or conflicting provisions in any bid or contract documents. Neither Core & Main nor its subcontractors or suppliers will be required to provide copies of their respective insurance policies. Notwithstanding anything contained in any bid documents or contract documents to the contrary, by acceptance of Core & Main's bid or proposal, the Owner accepts Core & Main's certificate of insurance in full compliance with all insurance requirements, including but not limited to notice provisions, coverage, language, policy limits, policy forms, self-insured retention, and deductible amounts. Owner acknowledges that Core & Main has a \$500,000 self-insured retention applicable to its liability policies, which Core & Main shall not be required to alter. The parties agree that Core & Main's insurance is provided on a contributory basis, and is primary, but only to the extent of the products, services, and operations of Core & Main LP.

3. **Liquidated Damages:** Liquidated damages assessed to Core & Main shall be limited to those attributable to delays resulting from Core & Main's failure to complete shipment within Core & Main quoted lead time from the date submittals are approved and the order is released to production. Furthermore, such delay damages shall be limited to 2.5% of the delayed goods unit price per week of delay until actual delivery, up to a maximum deduction of 5% of the delayed goods unit price.

Dated this 23rd day of January 2024.

NOTICE OF AWARD

TO: Ferguson Waterworks
2501 Jenks Avenue
Panama City, FL 32405

PRODUCT DESCRIPTION:

PCB24-19 ITB – BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

The City of Panama City Beach (“City”) has considered the BID submitted by you for the above-described Product in response to its Advertisement for Bids dated December 7, 2023, and associated Information for Bidders.

You are hereby notified that your bid proposal has been accepted by the City. Provided, however, nothing in this Notice or your delivery to the City of the Agreement executed by you shall in any manner or way be deemed to create any contract between you and the City. No contract shall be created unless and until the City signs the Agreement.

You are required by the Information for Bidders to execute this Agreement.

If you fail to execute said Agreement within ten (10) calendar days from the date of this Notice, City will be entitled to consider all your rights arising out of the City’s acceptance of your BID abandoned.

You must return an acknowledged copy of this Notice of Award to the City, with the executed Agreement and required Certificates of Insurance, within the above noted ten (10) calendar day period.

Dated this 11th day of January, 2024.

[END OF NOTICE OF AWARD]

AGREEMENT

BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

THIS AGREEMENT for BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES is made and entered into this 11th day of January 2024, by and between the **CITY OF PANAMA CITY BEACH, FLORIDA**, a municipal corporation (City) and Ferguson Waterworks (Contractor or Vendor).

PREMISES

1. SCOPE OF WORK

Contractor will deliver brass fittings, meter boxes, and other appurtenances, as more particularly described in the Scope of Work/Specifications listed in Invitation to Bid number PCB24-19, the terms of which are expressly incorporated herein.

If the Contractor believes that any particular product is not within the scope of the contract, is a material change, or will otherwise require more compensation to the Contractor, the Contractor must immediately notify the City's Representative in writing of this belief. If the City's Representative believes that a particular product is within the scope of the contract as written, the Contractor will be ordered to and shall continue to supply the product(s) as changed and at the cost stated. The Contractor must assert its right to an adjustment in cost under this clause within thirty (30) days from the date of the receipt of this agreement.

2. COMPENSATION

As compensation for the products contemplated herein and performance rendered by the Contractor of its duties and obligations hereunder, City shall pay Contractor according to the not to exceed price submitted on PCB24-19 Brass Fittings, Meter Boxes, and Other Appurtenances Bid Proposal Form. The City shall pay to the Vendor as full consideration for the delivery of product required by this Agreement, at the UNIT PRICE contained in the Vendor's cost proposal, upon the basis of actual measured quantities as the same may be finally determined by the City Manager or his/her designee(s).

Extra and/or Additional Work Changes – Should City at any time during the contract request alterations, deviations, additions, or omissions from said specifications or other contract documents, it shall be at liberty to do so by written authorization to Contractor, and the same shall in no way affect or make void the Agreement. The unit price of any such addition or deletion from the contract Bid price must be mutually agreed upon by both parties.

3. PAYMENT

Contractor will invoice for payment to the City when the delivery and satisfactory inspection of the product(s) have been completed. The invoice(s) shall be delivered to accounts payable at City Hall, 17007 Panama City Beach Parkway, Panama City Beach, Florida 32413. Invoices shall be paid via ACH or Virtual Credit Card only.

4. TERM

PCB24-19 ITB BRASS FITTINGS, METER BOXES AND OTHER APPURTENANCES

Unless terminated sooner pursuant to the provision of the Termination clauses contained in paragraph 5, and subject to the availability of funds appropriated for this purpose, this Agreement shall take effect on the executed date of award and be valid for a period of one (1) year with an option to renew by mutual consent of each party for two additional one (1) year terms.

5. TERMINATION OF CONTRACT

- A. City Termination for Cause – The Agreement may be terminated by the City for cause in the event of any breach hereof, including, but not limited to, Contractor's: (1) failing to carry forward and complete the Work as provided herein; (2) failing to comply with applicable laws, regulations, permits, or ordinances; (3) failing to timely correct defective Work; (4) making a general assignment for the benefit of its creditors; (5) having a receiver appointed because of insolvency; (6) filing bankruptcy or having a petition for involuntary bankruptcy filed against it; (7) failing to make payments when due to subcontractors, vendors, or others for materials or labor used in the Work; (8) making a material misrepresentation to the City regarding the Work; (9) arrest or conviction of felony or fraud, or (10) any other material breach of this Agreement. In such event, the City shall provide Contractor with written notice of its intention to terminate this Agreement, stating the nature of the deficiency and the effective date of termination. At the City's sole judgement and discretion, the City may afford Contractor an opportunity to cure said deficiency, in which event the notice shall specify the time allowed. Upon termination, the City may take possession of the premises and of all materials thereon and finish the Work by whatever means it seems expedient.
- B. City Termination for Convenience – Notwithstanding any other provision hereof, the City may at any time terminate this Agreement or any Work issued under it, in whole or in part, without cause, upon thirty (30) days advanced written notice to Contractor. In such event, Contractor shall be compensated for any Work performed prior to the date of termination and for materials that were ordered prior to receipt of notice of termination that cannot be returned to the vendor, which shall become City property. Upon receipt of notice, Contractor shall discontinue Work on the date and to the extent specified therein and shall place no further orders for materials, equipment, services, or facilities, except as needed to continue any portion of the Work not terminated. Contractor shall also make every reasonable effort to cancel, upon terms satisfactory to the City, all orders or subcontracts related to the terminated Work. Contractor may not claim any compensation not specifically provided herein, including, but not limited to loss of anticipated profits, idle equipment, labor, and facilities, or any additional claims of subcontractors and vendors.

6. PRICE ADJUSTMENTS

- A. Increases – Contractor may request a price increase adjustment no more than two times in any contract year. In the event Contractor desires a price increase, City must be

notified immediately. Price increases must be approved by City and no payment for additional materials or services, beyond the amount stipulated in the Contract shall be paid without prior approval. All price increases must be supported by Producer Price Index or manufacturer documentation and justification. Contractor must honor previous prices for thirty (30) days after approval and written notification from City. It is Contractor's responsibility to keep all pricing up to date and on file with City. All price changes must be provided to City using the same format as was provided and accepted in Contractor's proposal.

- B. Reductions – Price reductions may be offered at any time during the contract. City may request a price reduction, which Contractor shall permit, when such request is supported by Producer Price Index.

7. COMPLIANCE WITH LAWS

The Contractor shall be responsible to know and to apply all applicable federal and state laws, all local laws, ordinances, rules, regulations, and all orders and decrees of bodies or tribunals having jurisdiction or authority which in any manner affect the work, or which in any way affect the conduct of the work. Contractor shall always observe and comply with all such laws, ordinances, rules, regulations, orders, and decrees. The Contractor shall protect and indemnify the City of Panama City Beach and all its officers, agents, servants, or employees against any claim or liability arising from or based on the violation of any such law, ordinance, rule, regulation, order, or decree caused or committed by Contractor, its representatives, sub-contractors, sub-consultants, professional associates, agents, servants, or employees. Additionally, Contractor shall obtain and maintain at its own expense all licenses and permits to conduct business pursuant to this contract from the federal government, State of Florida, Bay County, or municipalities when legally required, and maintain same in full force and effect during term of the contract.

8. WARRANTY

The Contractor agrees that, unless otherwise specified in the specifications of the invitation to bid, the product furnished as a result of this invitation and award thereto shall be covered by the most favorable commercial warranty the Contractor gives to any customer for comparable quantities of such products and that the right and remedies provided herein are in addition to and do not limit any rights afforded to the City by any other provision of the invitation/offer. Contractor warrants to the City that all construction and related services provided hereunder shall be performed in a good and workmanlike manner, by workers who are appropriately trained and experienced in the work being performed, and in accordance with all requirements of the contract documents, industry standards for projects of similar type and quality, and all applicable laws, codes, regulations and other requirements, including safety requirements.

9. INSURANCE AND INDEMNIFICATION

Contractor shall at its own expense maintain in force during the term of the contract the insurance on policies and insurers acceptable to the City as required by the City's Insurance Requirements attached hereto as Exhibit "A".

- i. Within thirty (30) days of the date of the Award, and thereafter upon the written request of the City, Contractor shall furnish to the City such certificates of coverage and certified copies of policies pursuant to the City's Insurance requirements in order to satisfy this provision, the documentation required by this part must be sent to the following address: ATTN: RISK MANAGEMENT DIRECTOR, 17007 Panama City Beach Parkway, Panama City Beach, Florida 32413.
- ii. Regardless of the coverage provided by any insurance, the successful Contractor shall indemnify, save harmless and defend the City, its agents, servants, or employees from and against any and all claims, liability, losses and/or causes of action which may arise from any negligent act or omission of the successful Contractor, its sub-contractors, agents, servants, or employees during the course of performing services or caused by the goods provided pursuant to these Bid documents and/or resultant contract.

If any third-party claim is made against the City that, if sustained, would give rise to indemnification liability of the Contractor under this Agreement, the City shall promptly cause notice of the claim to be delivered to the successful Contractor and shall afford the Contractor and its counsel, at the Contractor's/Vendor's sole expense, the opportunity to join in defending or compromising the claim. The covenants contained in this paragraph shall survive the termination of this Agreement.

10. ATTORNEY'S FEES

In the event of any litigation hereunder, each party shall be responsible for its own attorney's fees and court costs at all trial and appellate levels and at any mediation or arbitration.

11. TIME/LIQUIDATED DAMAGES

The Contractor and the City recognize that time is of the essence for this agreement and the City will suffer financial loss if the Work is not completed within the time specified. The parties also recognize the delays, expenses, and difficulties involved in proving in a legal or arbitration proceeding the actual loss suffered by the City if the Work is not completed on time. Accordingly, instead of requiring any such proof, the City and Contractor agree that as liquidated damages for delay in completion of the Work (but not as a penalty), the Contractor shall pay the City the sum of 3.5% of the contract total dollar amount for each day that expires after the time specified herein for completion of the Work until the Work is completed.

12. FORCE MAJEURE

Contractor's failure or inability to perform the stated scope of work at any time as a result of circumstances beyond its control, such as, but not limited to, war, terrorism, strikes, fires, floods, hurricanes, acts of God, power failures, or damage or destruction of any facility related thereto, shall not be deemed a breach of this Agreement.

13. ASSIGNMENT

This Agreement is assignable with prior authorization from the City Council.

14. SEVERABILITY

In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

15. CHOICE OF LAW & VENUE

This Agreement shall be governed by the laws of the State of Florida. Any legal proceeding regarding this Agreement shall be brought in the 14th Judicial Circuit in Bay County, Florida.

16. MODIFICATIONS

No modification, amendment, or alteration in the terms or conditions contained herein shall be effective unless contained in a written document prepared with the same or similar formality as this Agreement and executed by the City and Contractor.

17. WAIVER

Failure by the City to enforce any provision of this Agreement shall not be deemed a waiver of the provision or modification of this Agreement. A waiver by the City of any breach of a provision of this Agreement shall not be deemed a waiver of any subsequent breach and shall not be construed to be a modification of the terms and conditions of this Agreement.

18. NOTICES

Any notice required by this Agreement shall be directed to the parties as follows:

A. As to City:

City Representative: Leah Bailey

Title/Position: Utilities Business Manager

Email Address: leah.bailey@pcbfl.gov

Mailing Address: 17007 PCB Pkwy., Panama City Beach, FL 32413

Phone: (850) 233-5100 ext., 2420

B. As to Contractor:

Contract Representative: George Wainwright

Title/Position: _____

Email Address: george.wainwright@ferguson.com

Mailing Address: 2501 Jenks Ave., Panama City, FL 32405

Phone: (850) 622-9166

19. ENTIRE AGREEMENT

This Agreement, and any exhibits or appendixes attached hereto and incorporated herein, constitutes the entire agreement between parties pertaining to the subject matter hereof, and supersedes all prior and contemporaneous agreements, understandings, negotiations, and discussions of the parties, whether oral or written, and there are no representations, warranties, covenants or other agreements among the parties.

The term "Agreement" means and includes the following documents, all of which are incorporated into this Agreement by reference:

- Advertisement for Bids
- Information for Bidders
- Scope of Work/Specifications
- Bid Proposal Form
- Drug Free Work Place Statement
- Public Entity Crimes Statement
- Non-Collusion Affidavit
- E-Verify
- Notice of Award

PCB24-19 ITB BRASS FITTINGS, METER BOXES & OTHER APPURTENANCES

BID PROPOSAL FORM

TO: City of Panama City Beach, Florida

SUBMITTED: 12/7, 2023.

PCB24-19 ITB Brass Fittings, Meter Boxes & Other Appurtenances

The Undersigned, as Bidder, hereby declares that they have examined the proposal specifications for PCB24-19 ITB Brass Fittings, Meter Boxes and Other Appurtenances and informed themselves fully regarding all terms and conditions pertaining to the product requirements and the Agreement.

The Bidder proposes and agrees, if this proposal is accepted, to contract with the City of Panama City Beach to supply the product for the unit prices listed in the following schedule, to furnish all labor and equipment for various brass fittings, meter boxes, and appurtenances, in complete accord with the described and reasonably intended requirements of the Invitation to Bid to the satisfaction of the City.

ADDENDUM: It is the sole responsibility of the bidder to determine if any addenda has been issued with this Invitation to Bid number PCB24-19.
