ADMINISTRATIVE ORDER 24-28

**PERMITTING A NOISE VARIANCE
FOR NIGHTTIME CONSTRUCTION ACTIVITIES AT
16061 PANAMA CITY BEACH PARKWAY**

WHEREAS, Cardella Construction Co. ("Applicant") has requested a noise variance to facilitate early morning construction activities associated with the construction of the Pirates Voyage Dinner & Show at 16061 Panama City Beach Parkway; and

WHEREAS, the variance would enable the pouring of cement (the "Nighttime Construction Activity") during early morning and off-peak hours for vehicular traffic, which activity takes approximately 5 hours to conduct on Thursday, May 23, 2024.

WHEREAS, Section 16-90 of the City's Code of Ordinances authorizes the Noise Control Administrator to grant a Noise Variance for nighttime construction projects; and

WHEREAS, the Noise Control Administrator finds and determines that approving this variance to allow the Nighttime Construction Activity will lessen interference with and impacts to vehicular traffic on Panama City Beach Parkway that might occur if the Variance were not approved.

NOW, THEREFORE, IT IS HEREBY ORDERED that the Nighttime Construction Activity associated with the construction of the Pirates Voyage Dinner & Show may be conducted between the hours of 2:00 a.m. to 7:00 a.m. on Thursday, May 23, 2024.

The City Manager is authorized to revoke this Variance if there is a material change in any of the circumstances relied upon by the City in granting the variance.

This Variance is conditioned on the Applicant silencing vehicle safety or reverse alarms and Applicant shall place a traffic control person behind any heavy equipment to guide vehicles during reverse and to ensure worker and pedestrian safety.

THIS ORDER shall be effective immediately upon execution and shall terminate on May 23, 2024 at 7:01 a.m.

ORDERED this 19th day of May, 2024.
