B. Election to Participate.

A Member's election to participate in the DROP must be made in writing in a time and manner determined by the Board and shall be effective on the first day of the first calendar month which is at least fifteen (15) business days after it is received by the Board.

C. Period of Participation.

A Member who elects to participate in the DROP under subsection 2.B., shall participate in the DROP for a period not to exceed sixty (60) months beginning at the time his election to participate in the DROP first becomes effective. An election to participate in the DROP shall constitute an irrevocable election to resign from the service of the City not later than the date provided for in the previous sentence. A Member may participate only once.

D. Termination of Participation.

- (1) A Member's participation in the DROP shall cease the earlier of:
 - (a) the end of his period of participation in the DROP as determined under subsection 2.C.; or

The investment consultant shall also report the net investment return for each manager and the net investment return for the total Plan assets.

Upon electing participation in the DROP, the Member shall elect to receive either interest or earnings on his account to be determined as provided above. The Member may, in writing, elect to change his election only once during his DROP participation. An election to change must be made prior to the end of a quarter and shall be effective beginning the following quarter.

- (3) A Member's DROP Account shall only be credited or debited with earnings or interest and monthly benefits while the Member is a participant in the DROP. A Member's final DROP account value for distribution to the Member upon termination of participation in the DROP shall be the value of the account at the end of the quarter immediately preceding termination of participation for participants electing the net plan return and at the end of the month immediately preceding termination of participation for participants electing the flat interest rate return plus any monthly periodic additions made to the DROP account subsequent to the end of the previous quarter or month, as applicable, and prior to distribution. If a Member is employed by the City Police Department after participating in the DROP for the permissible period of DROP participation, then beginning with the Member's 1st month of employment following the last month of the permissible period of DROP participation, the Member's DROP Account will no longer be credited or debited with earnings or interest, nor will monthly benefits be transferred to the DROP account. All such non-transferred amounts shall be forfeited and continue to be forfeited while the Member is employed by the Police Department. A Member employed by the Police Department after the permissible period of DROP participation will still not be eligible for pre-retirement death or disability benefits, nor will he accrue additional Credited Service.

(1) Unless the Member elects otherwise, distribution of his DROP Account shall be made in a cash lump sum, subject to the direct rollover provisions set forth in subsection 4.F. Elections under this paragraph shall be in writing and shall be made in such time or manner as the Board shall determine.

C. Date of Payment of Distribution.

Except as otherwise provided in this subsection 4., distribution of a Member's DROP Account shall be made as soon as administratively practicable following the Member's termination of employment. Distribution of the amount in a Member's DROP account will not be made unless the Member completes a written request for distribution and a written election, on forms designated by the Board, to either receive a cash lump sum or a rollover of the lump sum amount.

D. Proof of Death and Right of Beneficiary or Other Person.

The Board may require and rely upon such proof of death and such evidence of the right of any Beneficiary or other person to receive the value of a deceased Member's DROP Account as the Board may deem proper and its determination of the right of that Beneficiary or other person to receive payment shall be conclusive.

E. Distribution Limitation.

Notwithstanding any other provision of subsection 4., all distributions from the DROP shall conform to the "Minimum Distribution Of Benefits" provisions as provided for herein.

F. Direct Rollover of Certain Distributions.

This subsection applies to distributions made on or after January 1, 2002. Notwithstanding any provision of the DROP to the contrary a distributee may elect to have any portion of an eligible rollover distribution paid in a direct rollover as otherwise provided under the System in Section 24.

A Trustee shall not vote on any question relating exclusively to himself.

B. Individual Accounts, Records and Reports.

The Board shall maintain, or cause to be maintained, records showing the operation and condition of the DROP, including records showing the individual balances in each Member's DROP Account, and the Board shall keep, or cause to be kept, in convenient form such data as may be necessary for the valuation of the assets and liabilities of the DROP. The Board shall prepare or cause to be prepared and distributed to Members participating in the DROP and other individuals or filed with the appropriate governmental agencies, as the case may be, all necessary descriptions, reports, information returns, and data required to be distributed or filed for the DROP pursuant to the Code, the applicable portions of the Act and any other applicable laws.

C. Establishment of Rules.

Subject to the limitations of the DROP, the Board from time to time shall establish rules for the administration of the DROP and

the transaction of its business. The Board shall have discretionary authority to construe and interpret the DROP (including but not limited to determination of an individual's eligibility for DROP participation, the right and amount of any benefit payable under the DROP and the date on which any individual ceases to be a participant in the DROP). The determination of the Board as to the interpretation of the DROP or its determination of any disputed questions shall be conclusive and final to the extent permitted by applicable law. The Board shall also oversee the investment of the DROP'S assets.

D. Limitation of Liability.

- (1) The Trustees shall not incur any liability individually or on behalf of any other individuals for any act or failure to act, made in good faith in relation to the DROP or the funds of the DROP.
- (2) Neither the Board nor any Trustee of the Board shall be responsible for any reports furnished by any expert retained or employed by the Board, but they shall be entitled to rely thereon as well as on certificates furnished by an accountant or an actuary, and on all opinions of counsel. The Board shall be fully protected with respect to any action taken or suffered by it in good faith in reliance upon such expert, accountant, actuary or counsel, and all actions taken or suffered in such reliance shall be conclusive upon any person with any interest in the DROP.

6. General Provisions.

A. The DROP Is Not a Separate Retirement Plan.

Instead, it is a program under which a Member who is eligible for normal retirement under the System may elect to accrue future retirement benefits in the manner provided in this section 27. for the remainder of his employment, rather than in the normal manner provided under the plan. Upon termination of employment, a Member is entitled to a lump sum distribution of his or her DROP Account balance or may elect a rollover. The DROP Account distribution is in addition to the Member's monthly benefit.

B. Notional Account.

The DROP Account established for such a Member is a notional account, used only for the purpose of calculation of the DROP distribution amount. It is not a separate account in the System. There is no change in the System's assets, and there is no distribution available to the Member until the Member's termination from the DROP. The Member has no control over the investment of the DROP Account.

C. No Employer Discretion.

The DROP benefit is determined pursuant to a specific formula which does not involve employer discretion.

D. IRC Limit.

The DROP Account distribution, along with other benefits payable from the System, is subject to limitation under Internal Revenue Code Section 415(b).

A E. Amendment of DROP.

The DROP may be amended by an ordinance of the City at any time and from time to time, and retroactively if deemed necessary or appropriate, to amend in whole or in part any or all of the provisions of the DROP. However, except as otherwise provided by law, no amendment shall make it possible for any part of the DROP's funds to be used for, or diverted to, purposes other than for the exclusive benefit of persons entitled to benefits under the DROP. No amendment shall be made which has the effect of decreasing the balance of the DROP Account of any Member.

B F. Facility of Payment.

If the Board shall find that a Member or other person entitled to a benefit under the DROP is unable to care for his affairs because of illness or accident or is a minor, the Board may direct that any benefit due him, unless claim shall have been made for the benefit by a duly appointed legal representative, be paid to his Spouse, a child, a parent or other blood relative, or to a person with whom he resides. Any payment so made shall be a complete discharge of the liabilities of the DROP for that benefit.

€ G. Information.

Each Member, Beneficiary or other person entitled to a benefit, before any benefit shall be payable to him or on his account under the DROP, shall file with the Board the information that it shall require to establish his rights and benefits under the DROP.

Ð H. Prevention of Escheat.

If the Board cannot ascertain the whereabouts of any person to whom a payment is due under the DROP, the Board may, no earlier than three (3) years from the date such payment is due, mail a notice of such due and owing payment to the last known address of such person, as shown on the records of the Board or the City. If such person has not made written claim therefor within three (3) months of the date of the mailing, the Board may, if it so elects and upon receiving advice from counsel to the DROP, direct that such payment and all remaining payments otherwise

due such person be canceled on the records of the DROP. Upon such cancellation, the DROP shall have no further liability therefor except that, in the event such person or his Beneficiary later notifies the Board of his whereabouts and requests the payment or payments due to him under the DROP, the amount so applied shall be paid to him in accordance with the provisions of the DROP.

E I. Written Elections, Notification.

- (1) Any elections, notifications or designations made by a Member pursuant to the provisions of the DROP shall be made in writing and filed with the Board in a time and manner determined by the Board under rules uniformly applicable to all employees similarly situated. The Board reserves the right to change from the time and manner for making notifications, elections or designations by Members under the DROP if it determines after due deliberation that such action is justified in that it improves the administration of the DROP. In the event of a conflict between the provisions for making an election, notification or designation set forth in the DROP and such new administrative procedures, those new administrative procedures shall prevail.
- (2) Each Member or Retiree who has a DROP Account shall be responsible for furnishing the Board with his current address and any subsequent changes in his address. Any notice required to be given to a Member or Retiree hereunder shall be deemed given if directed to him at the last such address given to the Board and mailed by registered or certified United States mail. The Board shall create individual "Member Share Accounts" for all actively employed plan Members and DROP participants and maintain appropriate books and records showing the respective interest of each Member or DROP participant hereunder. Each Member or DROP participant shall have a Member Share Account for his share of the Chapter 185, Florida Statutes, tax revenues described above, forfeitures and income and expense adjustments relating thereto. The Board shall maintain separate member share accounts, however, the maintenance of separate accounts is for accounting purposes only and a segregation of the assets of the trust fund to each account shall not be required or permitted.

Members retiring (or entering DROP) on or after October 1, 2014 and prior to September 30, 2015 shall receive an allocation. In addition, all premium tax monies allocated to the Share Plan in any subsequent Plan Year shall also be allocated as provided for in this subsection. Available premium tax monies shall be allocated to individual Member Share Accounts at the end of each Plan Year on September 30 (a "valuation date").

(2) On each valuation date, each current actively employed Member of the plan not participating in the DROP, each DROP participant and each Retiree who retires or DROP participant who has terminated DROP participation in the Plan Year ending on the valuation date (including each disability retiree), or Beneficiary of a deceased Member (not including terminated vested persons) who is otherwise eligible for an allocation as of the valuation date shall receive a share allocation as follows:

Re: Pension Plans – Actuarial Impact Statements

Dear Holly:

Lee Dehner has requested that I provide the appropriate actuarial analysis of the changes to the Firefighters, General Employees, and Police Officers' Pension Plans to be enacted by proposed ordinances. Lee sent me copies of the proposed ordinances for each Plan attached to his letters dated August 27.

The proposed ordinances would each make changes to comply with recent adoption by the Florida Legislature of Chapter 2015-39, as well as changes to the Internal Revenue Code and guidance from the Internal Revenue Service. These changes would have no direct, if any, impact on members' benefits from a valuation perspective. Therefore, I have concluded that there should be no significant impact on the City's funding requirements due to the changes and no formal Actuarial Impact Statements are required for these changes.

Sincerely yours,
