## **RESOLUTION 16-27**

BE IT RESOLVED that the appropriate officers of the City are authorized but not required to execute and deliver on behalf of the City that certain Agreement between the City and HG2 Emergency Lighting, relating to the installation of emergency equipment, graphics and tint on 15 police vehicles, in the basic amount of Eighty Nine Thousand Nine Hundred Ninety Six Dollars (\$89,996), in substantially the form of the quote attached and submitted to the Council today, with such changes, insertions or omissions as may be approved by the City Manager, whose execution of such agreement shall be conclusive evidence of such approval.

THIS RESOLUTION shall be effective immediately upon passage.

PASSED in regular session this day of November, 2015.

CITY OF PANAMA CITY BEACH

/ Jules

Diane Fowler, City Clerk

Topic: City Council Agenda Item - Vehicle equipment purchase and installation

\*

I would like to respectfully request the following item be placed on the consent agenda for the upcoming City Council meeting on Thursday, November 12, 2015, for their consideration:

I would like the approval of the City Council to purchase and have installed all the emergency equipment for, if approved by council, the 15 new vehicles. We have normally completed the installations ourselves but with the increased activities during this time of year it's becoming difficult to have officers come off their assignment to do the installations, which can take a month if not longer. We did advertise for bids and received three sealed bids; two of the bids did not meet the specific requirements. I would like to request the City approve HG2 Emergency Lighting's bid of \$89,996.00 to complete the installations. This package will include all the emergency equipment, vehicle graphics and window tint. I have attached the supporting documentation for your review.

Thank you for your time and consideration in this request.

Respectfully,

Drew R. Whitman Chief of Police

Chief Drew Whitman

RE: Equipment Installation Bid Request

Chief,

At about 12:05 p.m. October 21<sup>st</sup> we opened the sealed bids for the vehicle and equipment installation requests. We received 3 bids for the equipment installation. The results are as follows;

### **Equipment Installation**

We asked for bid specific items in this request to include a number of items from HG2 Emergency Lighting. This request is due to testing and evaluation by our department. Two of the three bids (Dana Safety Supply and Hub City Ford) did not include the specific items we requested. Hub City did not specify what brand they would be using and Dana Safety advised they would be using Sound Off products. Representatives from Hub City and Dana Safety were present during the opening of the bids. Both advised they could not get the HG2 equipment.

Due to the lack of bid specific items in the Hub City and Dana Safety bids, I recommend we award the bid to HG2 Emergency Lighting at a cost of \$89,996.00. Keep in mind these installs include graphics and window tint. I have also submitted all bids with this recommendation.

The total cost of this request is as follows;

Equip/Install

\$89,996.00

Captain Wayne Maddox

Patrol Division Commander
