Subject:

½ Ton 4x4 truck bid

The Parks and Recreation Department would like to move forward with the purchase of a 2016 ½ Ton 4x4 truck for the Russel Fields Pier.

We would like to piggy back on the bids just received by the Utility Department for the same truck specifications needed for our department. Staff recommends that the council authorize the City to contract with the awarded bidder, Hub City for \$23,996. I am attaching a copy of the previous bid tabulation for your review. This purchase was planned for in the current year budget. A suggested motion is provided should the council choose to award it.

Suggested Motion:

Be it resolved that the appropriate officers of the City are authorized to execute and deliver on behalf of the City that certain Agreement between the City and Hub City in the amount of \$23,996 for the purchase of a 2016 ½ Ton 4x4x truck.
